

# Crisis Team Go Bag

---

A “Go Bag” is a bag containing items you might need in an emergency. The contents of a Go Bag can vary depending on a school’s needs and unique characteristics. However, here are some common items that can be found in Go Bags.

If your school cannot afford to outfit a Go Bag for every teacher/classroom, consider working with your PTA, non-profit group, hospital, professional group, church, etc. to do a drive to create the bag for you.
