Teaching Assignment

For more support on completing teaching assignments for PK-8th grade level teachers, visit page 3 of this document for instructions. If you have further questions, please contact your Regional Accreditation Officer.

High School Credit

Middle School courses taken for High School Credit must be taught by a teacher certified to teach the course and the course must be taught at the same rigor as the high school course. The course must be coded to the High School Subject Code. See the "9th – 12th Subject Code" list for the proper course codes.

Please note that mathematics courses taken in middle school do not count toward the three mathematics credits graduation requirement. For more information, visit https://sde.ok.gov/sites/ok.gov.sde/files/COLLEGE%20PREP%20MATH%20REQUIREMENT_0.pdf.
