CHAPTER 10. SCHOOL ADMINISTRATION AND INSTRUCTIONAL SERVICES
SUBCHAPTER 1. GENERAL PROVISIONS**

210:10-1-12. Acquired Immune Deficiency Syndrome (AIDS)

~~(a) The State Department of Education adheres to the following guidelines, upon the recommendation by the Oklahoma State Health Department, in the event a student is diagnosed as having Acquired Immune Deficiency Syndrome (AIDS):~~

~~(1) When a child in the public schools is diagnosed as having AIDS, the State Health Department must be contacted.~~

~~(2) Determinations regarding the location of an AIDS student's educational program will be made on a case by case basis by a team composed in each instance of the child's parent or guardian, the child's physician, the local superintendent, a representative of the State Health Department, and a representative of the State Department of Education.~~

~~(3) The team will meet and make a decision as to whether the child in question should be in attendance in the public schools. Such decision will then be recommended to the local board of education.~~

~~(4) In making a recommendation as to the child's attendance in a public school, the team will utilize the guidelines published by the Centers for Disease Control.~~

~~(b) Questions concerning the administration or implementation of these guidelines should be addressed to the State Department of Education. For any medically related questions, contact the State Health Department Sexually Transmitted Disease Division.~~
