

RULE IMPACT STATEMENT

210:20-18-1. ~~Lead~~ Advanced, lead, and master teaching certificates [AMENDED]

a. What is the purpose of the proposed rule change?

The purpose of this rule is to implement the requirements of 70 O.S. § 6-190, which requires the State Board of Education to adopt rules to implement a renewal schedule and associated fees for each of the three district-designated teaching certificates authorized by the statute. Additionally, the rule allows a teacher no longer meeting requirements for a designated certificate to apply for a standard certificate. The rule also incorporates the salary and one-time payment requirements into contract requirements.

b. What classes of persons will be affected by the proposed rule change and what classes of persons will bear the costs of the proposed rule change?

The rule change will directly affect individuals who hold teaching certificates and are serving as classroom teachers at public school districts. This rule will also affect public school districts electing to participate in the program.

c. What classes of persons will benefit from the proposed rule change?

The rule change will benefit individuals who hold teaching certificates and are serving as classroom teachers at public school districts. This rule will also benefit public school districts electing to participate in the program.

d. What is the probable economic impact of the proposed rule upon affected classes of persons or political subdivisions?

The agency does not anticipate any economic impact upon political subdivisions or affected classes as a result of implementation of the proposed rule change at this time.

e. What is the probable cost to the agency to implement and enforce the proposed rule change?

The agency does not anticipate any cost to the agency to implement and enforce as a result of the proposed change in the rule at this time. Additional duties to implement the program will be performed by existing staff.

f. What is the economic impact on any political subdivision to implement the proposed rule change?

The agency does not anticipate any economic impact on any political subdivision to implement the proposed rule change at this time.

g. Will implementing the rule change have an adverse effect on small business as provided by the Oklahoma Small Business Regulatory Flexibility Act?

The agency does not anticipate any adverse economic impact on small business as a result of the proposed rule change at this time.

- h. **Are there any other methods which are less costly, nonregulatory, or less intrusive to achieve the purpose of the proposed rule change?**

No.

- i. **Will the rule change impact the public health, safety, and environment, and is the change designed to reduce significant risks to the public health, safety, and environment? If so, explain nature of risk and to what extent the proposed rule change will reduce the risk.**

The agency does not anticipate any impact on public health, safety or environment as a result of the proposed rule at this time.

- j. **What detrimental effect will there be on the public health, safety, and environment if the rule change is not implemented?**

The agency does not anticipate any detrimental effect on public health, safety, or environment as a result of failure to implement the proposed rule at this time.
