RULE IMPACT STATEMENT

210:1-5-6. Suspension and/or revocation of certificates [AMENDED]

a. **What is the purpose of the proposed rule change?**

   The purpose of this rule is to clarify existing administrative rule provisions governing the suspension and/or revocation of an educator certificate.

b. **What classes of persons will be affected by the proposed rule change and what classes of persons will bear the costs of the proposed rule change?**

   The rule change will affect individuals who have an educator certificate issued by the Oklahoma State Board of Education and who may be the subject of an application to suspend or revoke the educator certificate.

c. **What classes of persons will benefit from the proposed rule change?**

   Individuals who are subject to an action to suspend and/or revoke a certificate will benefit from the proposed rule change.

d. **What is the probable economic impact of the proposed rule upon affected classes of persons or political subdivisions?**

   The agency does not anticipate any economic impact upon political subdivisions or affected classes as a result of implementation of the proposed rule change at this time.

e. **What is the probable cost to the agency to implement and enforce the proposed rule change?**

   The agency does not anticipate a material cost to implement and enforce the proposed rule change.

f. **What is the economic impact on any political subdivision to implement the proposed rule change?**

   The agency does not anticipate any economic impact on any political subdivision to implement the proposed rule change at this time.

g. **Will implementing the rule change have an adverse effect on small business as provided by the Oklahoma Small Business Regulatory Flexibility Act?**

   The agency does not anticipate any adverse economic impact on small business as a result of the proposed rule change at this time.
h. Are there any other methods which are less costly, nonregulatory, or less intrusive to achieve the purpose of the proposed rule change?

No.

i. Will the rule change impact the public health, safety, and environment, and is the change designed to reduce significant risks to the public health, safety, and environment? If so, explain nature of risk and to what extent the proposed rule change will reduce the risk.

The agency does not anticipate passage of these rules will impact the public health, safety, and environment. These rules are proposed in order to clarify and allow for practical implementation of existing law.

j. What detrimental effect will there be on the public health, safety, and environment if the rule change is not implemented?

The agency does not anticipate any detrimental effect on public health, safety, or environment as a result of failure to implement the proposed rule at this time.
