Dear Ms. Eccard,

Undercroft Montessori School would like to apply for participation in the Lindsey Nicole Henry Scholarship for Students with Disabilities Program.

Undercroft is accredited through the American Montessori Society and has recently been approved for accreditation through AdvancEd. Undercroft was founded in 1964 and currently serves approximately 200 students from age three through eighth grade.

Our program is inclusive and we employ a learning specialist with Oklahoma state certification in elementary education, learning disability, mentally handicapped, multiple disabilities and other health impairment, to assist teachers in making appropriate accommodations for students with special education needs in the classroom. We provide facilities on campus for a speech and language pathologist; a reading tutor who specializes in dyslexia; and an occupational therapist who provides both individual occupational therapy and social skills groups for our students.

I have enclosed confirmation of our recent approval for accreditation through AdvancEd and an Affidavit/Private School Compliance Statement. If you require additional information, please contact me at nancy.davis@undercroft.org or 918-622-2890.

Thank you for your consideration.

Sincerely,
