

OKLAHOMA STATE DEPARTMENT OF EDUCATION **State Systemic Improvement Plan**

K-3

**Family Newsletter
September Edition**

About The Plan

The State Systemic Improvement Plan (SSIP) is a multi-year plan for improving results for children with disabilities that every state must develop. Oklahoma has selected early literacy (kindergarten through third) as the state's target area. The Office of Special Education Services is working with several OSDE offices and grants to improve early literacy by implementing a tiered intervention framework.

Family Connection

Evidence-based practices support student outcomes by using proven strategies that work with all students!

This newsletter will describe a new evidence-based practice each edition that supports what your student is experiencing in the classroom that you can do at home!

How is my school participating in this plan?

K-3 teachers are participating to learn about evidence-based practices they can use in the classroom to support students!
