Dear Ms. Kimbrough,

Please accept this letter of intent for Town & Country School to participate in the Lindsey Nicole Henry Scholarships for Students with Disabilities Program.

Town & Country School was established in 1961 and is accredited by the Oklahoma State Department of Accreditation. Our mission is to improve the lives of students with learning differences by providing a nurturing environment for academic, social and personal growth. We serve students from grades one through twelve who have a primary diagnosis of a learning disability, attentional disorder and/or Asperger's Syndrome. Please see enclosed information for details of services provided.

Sincerely,

Mary Lawrence, M.A.
