

# OSDE State Systemic Improvement Plan (SSIP) Office of Special Education Services

## Professional Development for Targeted (Tier 2) Supports

### Targeted Supports

#### Data Retreat

#### Professional Development

Schools with or without ATSI designation can “opt in” for additional support.

➤ **Targeted supports** begin sequentially in **August 2022** and will continue until **May 2025**.

➤ A total of **23 independent sequenced modules** and **12 synchronous meetings** will occur over the course of **three years**.

### Expectations for Participation

School sites committing to the sequence will...

- **Include site educators** that are general education teachers, special education teachers, library media specialists, administrators, paraprofessionals, for the duration of the programming.
- Continue participation **for the entire duration** of the programming.
- Participate fully in **both modules and synchronous learning opportunities**.
- **Implement instructional strategies** taught in professional development opportunities with fidelity.
- **Provide feedback** to the SSIP team to promote improved learning opportunities.
- Participate in the **data retreat** held in **October/November**.
- **Allow observational walkthroughs** to support implementation data collection.
- **Request support** when expectations may not be met prior to incomplete programming.
