New Single Sign On Password and Account Policy Implementation

- Upcoming change in the Oklahoma State Department of Education (OSDE) Single Sign On (SSO) password and account policy, which is being implemented in accordance with the Oklahoma State Information Security Policy and [Password Requirements Standard](#).
- Effective November 1st, 2023, the SSO passwords for all account holders will be set to expire every 90 days. We're introducing this policy as part of our unwavering commitment to protect the confidential data belonging to students, educators, and staff members. This measure is also designed to enhance the security of our systems and to further secure the sensitive information we manage.

New Single Sign On Password and Account Policy Implementation

To change your password, please log in to your SSO account and click on “Your Account” (See Figure 1 to 3 below).

New Single Sign On Password and Account Policy Implementation

To ensure a smooth transition to the new policy, we recommend the following steps:

- Update Alternative Email
- Password Complexity
- Password Management
- Training and Support

For questions or further clarification, contact us at Privacy@sde.ok.gov.

New Single Sign On Password and Account Policy Implementation

- Be proactive and don't get caught at a time you need quick access to SSO.
- Any password older than 90 days will expire and must be reset on Nov 1st.
- This does not affect Wave affiliates accounts, but you will need to sign in to SSO before you can sign into your affiliates account.
