Subject: Re: [EXTERNAL] October Update

Thank you, Stacie. I appreciate the update and also your efforts last week during the winter weather and resulting outages.

When you mention the “new” date for the audit, can you please explain that a little more-- when was it originally scheduled, what was the cause for the rescheduling, etc.? I do appreciate the information, in particular as I am not sure we have heard anything about the audit (aside from your attempts to get the papers to print to deliver to the auditor last week). This includes not receiving a response to my September 12th email.

I do want to also let you all know that the school has yet to complete the Accreditation Application for the current year, which I believe was due October 23rd and OSDE previously sent several reminders (including text messages) about. In addition, the School Personnel Report has not been completed at this time. This is something that was identified in some heightened detail in my October 16th email and was also due (by extension) on October 23rd.

I feel confident that this information is accurate, but please do let me know if anything is incorrect here.

Subject: [EXTERNAL] October Update

Good afternoon Brad,

I just wanted to check in with you regarding our monthly update. Our school board meets regularly on the first Thursday of each month. After the meeting tomorrow evening, I will have a complete update for you.

As of right now, I am waiting for an email from Chris Gullekson about the new date of our audit. I am positive that I will hear from him by the end of the day today, if not first thing tomorrow morning.

The update will have several attachments, as well as, a complete narrative of October financials, enrollment, and additional important school business.

Thank you.

Respectfully,

--
