of the Year Program*

OKLAHOMA TEACHER OF THE YEAR PROGRAM

The Oklahoma Teacher of the Year (TOY) Program is conducted through the office of the State Superintendent of Public Instruction and is made possible through a partnership with the State Fair of Oklahoma. The overwhelming success of the program is credited to the numerous businesses, associations, organizations, and universities that typically present gifts to the Rising Star recipients, 12 TOY finalists, and the State Teacher of the Year. Examples of past gifts include tuition waivers, tickets to athletic events, classroom technologies, gift cards, cash awards, organization memberships, and the use of a motor vehicle! The Oklahoma Teacher of the Year is encouraged to participate in the National Teacher of the Year Program sponsored by the Council of Chief State School Officers, the ING Foundation, and Target.

■ GENERAL QUALIFICATIONS

All Pre-Kindergarten through Grade 12 classroom teachers in state-accredited schools are eligible for nomination. It is important that every teacher be given the opportunity to participate in this recognition process. **No minimum years of teaching experience is required to be qualified for Oklahoma Teacher of the Year.**

Nominees should be exceptionally skillful and dedicated classroom teachers who are planning to continue in an active teaching status. According to the director of the National Teacher of the Year Program, **a classroom teacher is one who teaches a group of students every day within the confines of the classroom and does not have administrative duties.** Nominees should communicate effectively and demonstrate creative and imaginative teaching on a day-to-day basis. The nominee should have the ability to inspire the value of learning in students of all backgrounds and abilities and assure academic success. Nominations should be made without regard to age, sex, race, or religion.

■ SELECTION PROCESS

At the local district level, the Teacher of the Year program is coordinated through the district superintendent. It is the responsibility of the district superintendent to make sure that every teacher is given the opportunity to participate in the recognition process. It is important to emphasize that the search is not for “the best teacher,” but for one who exemplifies the finest in the profession.

■ LOCAL DISTRICT SELECTION PROCESS

The local school district determines the local selection process and announces the local Teacher of the Year.

■ REGIONAL SELECTION COMMITTEES

There are six regional committees that meet in June to review all portfolios received and to select twelve finalists, two from each region. A list of counties by region is enclosed. The twelve finalists are announced in July.

■ STATE SELECTION COMMITTEE

The state selection committee will follow procedures identified below for each of the twelve finalists in order to select the Oklahoma Teacher of the Year:

- Conduct an interview;
- View a DVD of classroom teaching. Each of the twelve regional finalists will be responsible for submitting a ten-minute DVD of classroom teaching in early September 2013. If the local district does not have taping capabilities, assistance will be provided by the Oklahoma State Department of Education (each finalist may view previous Oklahoma Teacher of the Year videos upon request); and
- Recommend the Oklahoma Teacher of the Year to the State Superintendent.

■ SELECTION ANNOUNCED

In September, the State Superintendent announces the Oklahoma Teacher of the Year who will serve as the Oklahoma Ambassador of Teaching.

The State Superintendent presents the Oklahoma Teacher of the Year to the State Board of Education.

In November, the State Superintendent nominates the Oklahoma Teacher of the Year to the Council of Chief State School Officers National Teacher of the Year Program.

■ OKLAHOMA TEACHER OF THE YEAR RECOGNITION

The Oklahoma Teacher of the Year serves as Oklahoma Ambassador of Teaching, representing Oklahoma in the national competition by sharing knowledge and resources with fellow educators around the state and encouraging education as a profession.

■ EDWARD C. JOULLIAN III SCHOLARSHIP

Edward C. Joullian III honorably served the state of Oklahoma as chairman of the State Fair Board of Directors for ten years. As a founder of the partnership between the Teacher of the Year program and the Oklahoma State Fair, he has shown his dedication to the education of the children of this great state. The Edward C. Joullian III Scholarship was established by the State Fair Board to encourage students to continue their education, recognize the State Teacher of the Year's school district, and celebrate the contributions of Mr. Joullian to the lives of Oklahoma's young people.

In 1998, the \$5,000 scholarship was unveiled during the State Teacher of the Year recognition ceremony and is awarded annually to a graduating senior from the Teacher of the Year's school district. It is awarded based upon a student's overall scholastic, leadership, and civic potential.
