MEMORANDUM

TO: The Honorable Members of the State Board of Education

FROM: Joy Hofmeister

DATE: December 19, 2019

SUBJECT: Recognition of Oklahoma AP State Scholars

The State AP Scholar Award is an academic distinction acknowledging students who have earned the most AP Exam scores of 3 or higher statewide and the highest average score (at least 3.5) on all AP Exams taken. The award is presented annually to one male student and one female student from each state and the District of Columbia.

We congratulate two 2019 Oklahoma high school graduates who have qualified for the College Board State Advanced Placement Scholar Award.

Garbielle M. Lee graduated from Edmond North High School and currently attends Duke University.

Benjamin B. Fishback graduated from Jenks High School and currently attends Oklahoma State University.

We congratulate these students and thank the educators and families who provide continuous support.
