

Superintendent Hofmeister's Student Advisory Council

We are currently accepting nominations for Superintendent Hofmeister's Student Advisory Council. A group of 11th and 12th grade students from across Oklahoma will be selected to participate in this Council. For a student to apply, they must be recommended by their district superintendent.

If you wish to nominate a student, please fill out this District Superintendent Recommendation form and send directly to your recommended student. You may only nominate **ONE** student from your district. For districts with more than 10,000 students, we will accept an application from **TWO** students. This form must be completed for each student. If more than one application is received from a district smaller than 10,000 students, the applications will be returned to the district superintendent to select one applicant. When choosing a student to nominate, keep in mind the purpose of this Council is to hear opinions and perspectives from students of **all** races, backgrounds, interests, and aspirations.

The nominated student will fill out the Student Advisory Council application found at <https://bit.ly/2022StudentAdvisory>. They will need to complete the application in its entirety and attach their most recent transcript along with this completed form.

Applications are due by November 15. The Student Advisory Council will meet twice during the spring semester 2022. The meetings will be held at the State Capitol, if possible, but may be scheduled via Zoom if appropriate due to the status of COVID-19 in Oklahoma at that time. If the meetings are held in person, students will need to provide their own transportation.

If you have any questions, please contact Amanda Jones at (405) 496-3471 or Amanda.Jones@sde.ok.gov.
