Transfers

- Each district will be able to extend existing transfers beginning May 1st.
- Any transfers in your transfer queue that have not been finalized by June 30th will be deleted from the transfer system and the parents will have to reapply.
- Districts will need to report capacity numbers between 15 days prior to any quarter and 15 days after the start of the quarter.

Virtual District Transfers

- All virtual districts entries must have a virtual transfer started on them. This ensures that OSDE can meet statutory requirements to ensure student mobility in and out of virtual charters is no more than 2 transfers into virtual charters per school year. This new transfer statute have been in effect since July 1, 2021.

Rollover to 2022/2023

- The Wave will be down from July 11th to July 22nd.
- Rollover should be completed and back up on July 25th.
- Prior to doing a SIF agent rollover put your zone to sleep. If you are having issues putting your zone to sleep you can reach out to your vendor or contact studentdatainfo@sde.ok.gov for assistance.

Medium of Instruction 2022/2023

- Each section in your system should identify and include the students based on the type of instruction they are currently receiving.
- This means each section should have a virtual class and a brick-and-mortar class, when applicable.

CCOSA Pre-Conference

- Upcoming sessions
 - Class Size Audit
 - Bringing Ryan Pieper, Dean Hupp, and others to discuss what changes have been made to the Class Size Audit since last year.
 - How does data get to the Wave/ What things can you do to make reporting easier?
 - June Gerrard and I will be presenting a session on how data flows from your SIS to the Wave and gets to the reports.
 - Accountability
 - We will team up with Alyssa Griggs and her team to make sure you know everything you need to know about reports in the Accountability Reporting.
