Transfers

- The Student Online Application is now available on the State Department website at the following link. <https://sde.ok.gov/student-transfers>.
- There is a box to check for students that have been enrolled in Homeschool/Private Schools or if the student is moving to Oklahoma from another state or country, or if the student has never attended a public school in the State of Oklahoma.
- Once the application has been completed and the STN has been generated and it will then show up in the transfer queue.
- Report capacity numbers between 15 days prior to any quarter and 15 days after the start of the quarter. Quarter dates are July 1st, October 1st, January 1st, and April 1st.

Rollover to 2022/2023

- The Wave rollover will begin on July 11th and be down until July 22nd.
- Prior to doing a SIF agent rollover put your zone to sleep. If you are having issues putting your zone to sleep, you can reach out to your vendor or contact studentdatainfo@sde.ok.gov for assistance.
