Circles of Reflection

The National Center’s AI/AN Education Project provides technical assistance to build the capacity of State Education Agencies (SEAs), in collaboration with Tribal Education Departments (TEDs) and Local Education Agencies (LEAs), to enhance the learning lives of Native children and youth. The AI/AN Education Project has developed the Circles of Reflection, a process to engage SEAs, LEAs, and TEDs in rich, reflective discussions and strategic planning to provide high quality, motivating educational experiences that improve Native students’ academic attainment.

NIES

National Indian Education Study

Administered as part of the National Assessment of Educational Progress (NAEP) to allow more in-depth reporting on the experiences of American Indian/Alaska Native (AI/AN) students in grades 4 and 8. This report focuses primarily on two themes identified during the development of the NIES survey questionnaires.

National Assessment of Educational Progress (NAEP)

Percentage distribution of fourth- and eighth-grade AI/AN students by grade and jurisdiction: 2022

Grade and Jurisdiction	School-reported race/ethnicity (supplemented in some cases by student self-reported data) used in NAEP reports since 2002; in 2011, the 'unclassified' category was relabeled 'two or more races' to be consistent with OMB guidelines.				
		Below Basic	At Basic	At Proficient	At Advanced
Grade 4 - Mathematics					
Oklahoma: All AI/AN students		32	44	23	1
U.S. (public and BIE): All AI/AN students		42	40	16	3
Grade 8 - Mathematics					
Oklahoma: All AI/AN students		49	39	12	#
