Good afternoon Dustin.

Thank you for your email and for your support and belief in us! Your partnership (and interest to take a board seat) means a lot to us.

Regarding the extension, we are at the final stages of having a financial plan that will allow us to nail down exactly how much we are able to pay monthly. I should have this identified no later than Friday - hopefully sooner - and will get this extension signed.

I will be back in touch as quickly as possible.
