- High School Testing Information
- Retrieving DLM TIP Sheets
- Spring Testing Window
- Training Requirement Reminder

DTC- Kite Educator Portal Data Clean Up

As the Instructionally Embedded Assessment Window is now closed, please go into your Kite Educator Portal to ensure only students in testing grades are rostered. Please also check that they are rostered to the correct subject areas. We have a few students rostered to Other which means they are not attached to ELA, Math, Science, or US History depending on their grade level. If you have students in Kite who are not eligible to participate in OAAP they should be removed at this time.

DTC Information- Training Report

Please pull the Training Report in Kite Educator Portal to review and remind educators to complete their required training prior to the start of testing. There are directions listed in the [Educator Portal User Guide](#) starting on page 96. If you would like a list of educators for your district that need a reminder to complete their training, please email Caroline Misner at caroline.misner@sde.ok.gov.

High School Testing Information

11th graders may have their ELA/Math requirement met through the testing method that the IEP team has agreed is appropriate either through DLM, ACT, or SAT. Just as a reminder, any student who is participating in the OAAP need to have documentation to show they have significant cognitive and significant adaptive behavior deficits.

Retrieving the DLM TIP Sheets

The spring assessments will go much smoother if teachers are prepared for the test by looking at the TIP sheets first. Remember, you may print the TIP sheets, but they must be destroyed after use as they are considered secure test materials. Instructions for how to locate the TIP sheets in Educator Portal can be found toward the bottom of page 52 of the DLM [Educator Portal User Guide](#).

OAAP Spring Window: **March 21 - May 17, 2022 (DLM Year-End)**

Test Administrator Training Reminder

Test administrators should be finished or be in the final stages of completing training courses. Courses are accessed in the [Moodle training site](#). The DLM system will only assign training courses to users assigned a teacher role in Educator Portal. District administrators who would like to complete DLM training must assign themselves a teacher role. **Shared accounts are not permitted.**
