Outcomes Operate Along a Continuum

Leading Indicators

Outcome Indicators

Opportunity Measures | Observed Growth | Status | Post-Secondary Readiness

| Engagement and Attendance | Student Progress | Assessment Performance | Graduation Rates |

➢ Students must have opportunities to learn to make or maintain progress;

➢ Students must have opportunities to make or maintain progress from one grade to the next to gain or maintain readiness for the next grade, course or level; and

➢ Students must have opportunities to gain grade-level knowledge and skills to graduate with a diploma ready for success in life after high school.

What Oklahoma School Report Cards measure

Data collected from each indicator provides meaningful and actionable information as shown here and explained in more detail on the pages that follow.

|	
Grades K - 12	**Chronic Absenteeism:** How well are we lessening the impact of lost instructional time based on the percentage of students in regular attendance meaning that they are in school at least 90% of the instructional days offered through our school calendar?
Grades 3 - 8 & 11	**Academic Achievement:** How well are we supporting groups of students to be ready for the next grade, course or level based on their performance on state tests in English language arts (ELA), math and science?
Grades 4 - 8	**Academic Growth:** How well are we supporting our students in progressing towards or maintaining mastery of grade-level academic standards in math and ELA based on comparing their performance on state tests between consecutive years?
English Learners	**English Language Proficiency Assessment Progress (ELPA):** How well are we supporting our English learners in gaining proficiency in English language based on their WIDA ACCESS Scores?
Grades 11 - 12	**Postsecondary Opportunities:** How well are we preparing our students for life after high school based on the percentage of students successfully participating in at least one opportunity including internships, AP/IB coursework, dual/concurrent enrollment or Career and Technical Education (CTE) coursework leading to certification?
Grades 9 - 12+	**Graduation:** How well are we supporting our students in graduating with a diploma in 4, 5, or 6 years based on adjusted cohort graduation rates?
