

Comprehensive Exit Report FAQs

Oklahoma State Department of Education, Office of Accountability (Fall 2018)

What is the Comprehensive Exit Report?

The Comprehensive Exit report is a district-certified report containing exit reasons for all students in grades 7 – 12 from the previous school year. **Additionally, this report is the only place to report 5th and 6th year graduates for the new accountability system.**

Who should be on this report?

All students in grades 7 – 12 included in membership at your school/district last year. These students were reported on either the certified October 1 report or Supplemental Membership Annual Reporting Totals (SMART) Report during the 2017-2018 school year. As this is all students who enrolled, a student may exist on more than one site's Comprehensive Exit Report.

How do I find this report?

Districts may access the report via the Wave's portal in Single Sign On. Wave's Portal → Reporting Tab → State Reporting Certification → Select "Comprehensive Exit Report" → Select a "Site Name"

What should I be looking for?

Districts should review that all data in the report are accurate. **Particular care should be given to the Report Category and the CohortClassOf (for high school ONLY) for all students.** Common report categories include: students who exited to enroll at another diploma-issuing school (02), received a GED (08), dropped out (03), and finished out the year (12). As this report feeds the graduation report and is used for the graduation rate indicator, please carefully review that all graduates including early grads, 5th or 6th year grads, and on-time graduates are all reported as (01)-Graduated.

For a step by step guidance, please see our [Comprehensive Exit Report Manual](#).

Some of my information is not correct, how do I correct this?

This report is prepopulated from other certified reports and data submitted by your student information system (SIS). As such, corrections are not expected and are highly unusual. Only the Report Category may be edited in the application (via "On Screen Data Entry"). For questions regarding and other field, including the Cohort Class Of, please contact the Office of Accountability at 405-522-5169.

How do I know a student's correct cohort year?

The cohort year for a student is when the student is expected to graduate in order to be considered an on-time graduate. The cohort year is 4 years after the student enrolled in 9th grade for the first time. If the student enrolled after December 1, the following year is considered year 1.

If I make a change in my Student Information System, will it update the report?

No. This data was compiled utilizing historical Wave data. **The student's report category is the only field that can be updated using the "On Screen Data Entry"**. For a detailed description of all Report Categories, please see the tables on the next several pages.

For any additional questions on the report, please contact the Office of Accountability at (405) 522-5169 or accountability@sde.ok.gov.
