

# CHISHOLM ★ TRAIL

*celebration*

The world's greatest cattle trail saw its first head of cattle moving north in 1867, and by the end of 1885 millions of animals had made their way over 1000 miles to feed civilians and armies.

This year we celebrate the 150th anniversary of the Chisholm Trail. The trail made its way through Yukon, Oklahoma and this year, Express Ranches invites you to join them for fun, festivities, education and a chance to celebrate the Western way of life and the historical beauty of the Chisholm Trail.
