MEMORANDUM

TO: The Honorable Members of the State Board of Education

FROM: Joy Hofmeister

DATE: July 27, 2017

SUBJECT: Accreditation Recommendations for the 2017-2018 School Year

Attached for your information are the district accreditation recommendations of school districts and sites with deficiencies for the 2017-2018 school year pursuant to OAC 210:35-3-201. Also attached is a list of the school site accreditation recommendation and the corresponding A-F letter grade, as well as a list of districts and school sites with a warning or probation recommendation status.

These reports reflect the changes made in the last two years in reporting districts. Districts are now reported separately based on the District's merits, excluding the site's deficiencies and/or designations. The sites are reported separately based on their own deficiencies and/or designations. Additionally, this year a school site's school improvement designation, if one exists, will not be reflected in the site accreditation status.

The following information is supplied to the members of the State Board of Education to allow a clarification of terms used to accredit schools:

Accreditation status of school districts and sites shall be classified as one of the categories listed below.

- Accredited with No Deficiencies-All standards are being met.
- Accredited with Deficiencies-A school district or site fails to meet one or more of the standards but the deficiency does not seriously detract from the quality of the school's educational program.

2500 North Lincoln Boulevard, Oklahoma City, OK 73105-4599 • (405) 521-3301 • Joy.Hofmeister@sde.ok.gov

JOY HOFMEISTER
STATE SUPERINTENDENT *of* PUBLIC INSTRUCTION
OKLAHOMA STATE DEPARTMENT *of* EDUCATION

- Accredited with Warning-A school district or site fails to meet one or more of the standards and the deficiency seriously detracts from the quality of the school's educational program.

- Accredited with Probation-A school district or site:
  consistently fails to remove or make substantial progress towards removing all deficiencies noted the previous year: and /or,

  consistently violates regulations; and/or,

  deliberately and unnecessarily violates one or more of the regulations;

- Nonaccredited-After a committee review, the determination will be made concerning warning, probation or nonaccredited status. If nonaccredited the school site will no longer be recognized the State Board of Education.

Dear Dr. Kuczynski:

This memo serves as an official notice that the county district site code **55 Z005 971** and **55 Z005 972** for Able Charter School will no longer be available for use as a charter school code. The Statewide Virtual Charter School Board voted to terminate the charter contract with Able Charter School. The Statewide Virtual Charter School Board has contracted with the Oklahoma Public Schools Resource Center to serve as a closing agent.

Date: May 24, 2017

Re: *ABLE Charter School Closing*

On October 6, 2016, the Statewide Virtual Charter School Board voted to terminate the charter contract with ABLE Charter School. In an appeal held on January 26, 2017, the State Board of Education upheld that decision. I am writing today to inform you that on July 1, 2017 ABLE Charter School will no longer be an authorized charter school of the Statewide Virtual Charter School Board. The Board considers ABLE Charter School closed at that point.

At this time, the Statewide Virtual Charter School Board has contracted with the Oklahoma Public Schools Resource Center to serve as a closing agent. ABLE Charter School will submit all school records, including student records and financial records, to the Statewide Virtual Charter School Board following the school's final governing board meeting in June.

Should you have any questions related to this school closure, please contact me at 405.522.0717 or at rebecca.wilkinson@svcsb.ok.gov.

Mr. Harvey Bethany
Board Chair
Harper Academy Charter School
1215 NE 34th Street
Oklahoma City, OK 73111

Monday, March 27, 2017

Mr. Harvey Bethany,

Following last week's school board vote in a 7-0 action to not renew Harper Academy Charter School's contract ending June 30, 2017, this letter is an official acknowledgement that, as your authorizer, Oklahoma City Public Schools has started the school closure process on your behalf. The following areas of concerns led to the school board vote:

a. Updated nepotism policy to apply to school leadership and the board concerning contracted agencies and vendors. Replacement of staff not in alignment with policy. RATED SATISFACTORY
b. Generate job descriptions for school leadership (COO and principal) to reflect those comparable with other charter schools, as selected by OKCPS leadership. Replacement of staff not in alignment with job descriptions. RATED UNSATISFACTORY
c. Increase active membership of board members from three to seven, at a minimum. RATED UNSATISFACTORY
d. Provide documentation of additional board training. RATED UNSATISFACTORY
e. Final Financial Request with specific time frames for the following:
   Accounts Payable Check Register
   Payroll Check Register
   Encumbrance purchase order list
   Charter school employee listing
   Copies of quarterly 941 employee tax
   Status on the 2015 990 tax return
   Copies of June 2016 bank reconciliations for any bank accounts RATED UNSATISFACTORY
f. Verification from the State department as to Harper's alternative school status. Attached to this verification should be:
   i. a copy of the 2016-17 policy for nonrenewal of any charter school in the bottom 5 percent of all public schools statewide.
   ii. a copy of Harper's school report cards for the past three years RATED UNSATISFACTORY
g. Provide the evaluative tool to be used for principal, who has not been evaluated since she was hired. She should also receive a midyear evaluation before February 1st. RATED SATISFACTORY
h. Copies of the COO's performance evaluation for each year he functioned in that role. RATED UNSATISFACTORY

The aforementioned areas were findings during your renewal process. The school was asked to address the findings by February 1st and to report updates. As a charter school authorizer, we are both committed to and tasked by the Oklahoma State Department of Education's authorizer principles and standards to maintain high standards for renewal and revocation processes. Based on your updates, the recommendation was to support the *Initial recommendation* to not renew your charter contract.

Harper's school leadership was provided with the protocol we are using on Tuesday, March 21st to assist us in the school closure process. While school closure can be a tedious process, we are using the Oklahoma Public School Resource Center (OPSRC) as the Closing Officer to ensure that the process is done with ease and that the school and school board are in full compliance with state and federal law. Your Closing Officer is Mr. Andy Evans, of OPSRC. He will lead the Transition Team that both OKCPS and Harper have appointed. Mr. Evans and I will be in constant communication with one another about the progress being made and address any issues that may arise. The school can expect both announced and unannounced visits from either of us.

As school board chair, you have the fiduciary responsibility to guarantee that all requirements outlined in the school closure plan are met. The plan itself is aligned with Section 42.19 of the Charter School Act for Term of Contract, Renewal and Termination.

Ongoing Action
It is imperative that the school maintain its current location and communication (services with families and the community at large). It is also important that instruction, day-to-day operations and insurance coverage continue until the last date of school and/or the contract has ended.

Short-Term Action
By March 31st, the Transition Team under the direction of the Closing Officer will have met all the requirements outlined in the Immediate Action Section of the School Closure Plan, where applicable.

By April 30th, the Transition Team under the direction of the Closing Officer will have met all the requirements outlined in the Notifications, Records and Financials Sections of the School Closure Plan, where applicable.

Look to receive communication from Mr. Evans within the next couple of days. Oklahoma Public Schools will additionally be making contact with you concerning steps we are taking to ensure that certain actions for your school's financials are executed.

Feel free to reach out to me with any additional questions you might have via email (wtstubbs@okcps.org) or phone (405) 317-7930.

Dear Superintendent Hofmeister and State Board of Education Members,

It is with regret that I inform you of the closing of Oklahoma City Lighthouse Charter School upon the conclusion of the 2016-2017 school year.

With the school facing significant cash flow challenges, the board voted unanimously to cease operations at an April 18th board meeting. Due to decreased state funding, increased fundraising competition and uncertain facilities future, there is not a feasible financial model for OKCLCS to continue operating. Our board evaluated all options. Although closing the school was the last resort, it is the only viable option and the right thing for our students and families, since we could not ensure the high quality education and services they deserve.

Our scholars are our top priority and will remain our priority through the conclusion of the school year. This decision will cause no disruptions to the daily routines of our students. Instruction, programming and school service will continue through the conclusion of the school year on May 31st.

If you have any questions, please feel free to contact me.

Sincerely,

Tyler J. Tokarczyk
