FY24 RECOMMENDATION: Hardesty District Accreditation with Warning

SUMMARY

District History

2023-2024 District Accreditation with Warning

2022-2023 District Accreditation with Probation

For two consecutive years, **Hardesty District** failed to meet the following requirement: The district failed to submit reports in a timely fashion, this year, specifically the district's estimate of needs. It was due October 1st and was submitted October 5th. It should be noted that the recommendation has been changed from Accredited with Probation a year ago, to Accredited with Warning for this year. While there are still some issues that need to be addressed, we should note that this school is moving in the right direction.

Consistently, any school that received the same deficiency, in consecutive years has been recommended to be accredited with warning; "a school site fails to meet one or more of the standards and the deficiency seriously detracts from the quality of the school's educational program."

ASSIGNED DEFICIENCIES
