Number of anticipated student participants _____ (2-5)

Has this program participated in CYBERPATRIOT in the past three (3) years? ☐ YES ☐ NO

❶ **Program Goals and Objectives**
   - Describe how participation in CYBERPATRIOT will contribute to helping students meet Oklahoma Academic Standards and the current PASS Standards for Science.
      a. http://ok.gov/sde/oklahoma-C3-standards

❷ **Student Benefits**
   - CYBERPATRIOT is a tool to get excited about STEM education concepts.
      o Describe the expected benefits to student participants?
      o How will the expected benefits be measured and documented?

❸ Program Timeline
- • Program timeline should include project milestones from implementation to competition participation. Timelines must include the activities that are described in the timeline of CYBERPATRIOT Events section of the overview located on the website.

❹ Volunteer Coaches
- • Each team will need a coach who is an existing teacher.
    - ○ List name and affiliations for the team coach.

❺ Facilities and Equipment

- Each team will need access to a computer and the internet to participate. Identify and describe school facilities and equipment to be used for the competition and associated training. Indicate if the space is on the school grounds or in the community. (Note: training will be provided at Rose State College if desired at no additional cost; however, competitive rounds will not be supported at RSC).

❻ Evaluation

- Describe the method of evaluation you will use to determine the success of CYBER PATRIOT. Please include all evaluating tools used.

❼ Student Teams
  • Describe how teams of students will be selected for this project. Please be very detailed in your response.

2013-2014 CYBERPATRIOT Team Budget Summary

Participation in the competition potentially requires a variety of financial resources.
Please consider the following when completing the budget narrative:
  • Competition Travel Expenses: Varies
  • Computer(s) and Internet Access: Varies

CYBERPATRIOT GRANT PROGRAM BUDGET SUMMARY 2013-2014

_____

COUNTY NAME	COUNTY CODE	DISTRICT CODE
	371	**11**
DISTRICT NAME	OCAS PROJECT CODE	OCAS FUND CODE

TOTAL:
Grants are to cover the registration cost of $385. In cases where teams have identified partial funds from other resources, application should be only for the amount required to complete registration funding.
