Oklahoma School Climate Transformation School Climate Survey

Directions:

We want to know what you think about your school. There are no right or wrong answers—this is not a test! We just want to know how you feel. Your answers give us important information to help your school become even better.

Your answers are anonymous, which means your teachers or family will not see your answers. No one will ever see how you filled out your own survey.

Please read each item carefully and mark one choice for each item. Please answer all of the questions, or your answers won't count, but you can mark "I prefer not to answer" if you don't want to answer a question about you. If you need help reading a question, you may ask the person giving the survey or your teacher.
