

JOY HOFMEISTER
STATE SUPERINTENDENT *of* PUBLIC INSTRUCTION
OKLAHOMA STATE DEPARTMENT *of* EDUCATION

August 31, 2021

Superintendents and Personnel Officers,

The 2021-2022 Online School Directory, Certified and Support Personnel Reports and Salary Schedule will open **Wednesday, September 1, 2021, and will be due Friday, October 15, 2021.** To update your information, access the Single Sign On Site at <https://sdweb01.sde.ok.gov/SSO2/Signin.aspx>.

The following is a list of changes and helpful information for the 2021-2022 School Personnel Reports:

- Salary Schedules – If employee portion of TRS contributions are district paid (in part or full), please include this amount in your salary schedules. To have accurate, comparable data, all districts should include these figures, not only those using this fringe to meet state minimum. *(Base Salary + TRS Offset + District Paid Retirement = Step Total)*
- Superintendent contracts are submitted through the School Personnel Report. Please indicate whether your district does/does not currently have a Superintendent/CEO/Head of Charter School on contract and, if so, upload a PDF file of **signed** current year contract. *(Please name as follows: County Number District Code District Name - 551052 Mid-Del)*
NOTE: This is the only copy we need. Please do not also email/fax/mail a copy.
- The Online Directory must be updated and certified before any other reports can be certified. Please keep all contact information up-to-date throughout the year, as this is the main source for collecting contacts by all SDE departments. Make sure you are also updating SITE contacts. Click “Contacts” and scroll to bottom of page to view/update.
NOTE: Principal contact provided here will reflect on site report cards.
- ***Remember! Accreditation Applications open October 1 and will be generated by data within your Personnel Reports. You will want to have most of your reporting edits made by Sept 30, to ensure appropriate staff on each site’s application.***
- Any teacher with an expired certificate was not rolled into the new report. If your district uploads, you will receive an error message for any teacher with an expired certificate and their records will not upload.
- A report to assist with certificate renewals is also available. This report (located in the reports menu) will pull all certified staff whose certificates will expire at the end of the fiscal year.
- **Prior to completing any part of the Certified or Support Personnel Report,** you must provide all information requested on the School Personnel “Welcome” screen, and click “Save.”

August 31, 2021

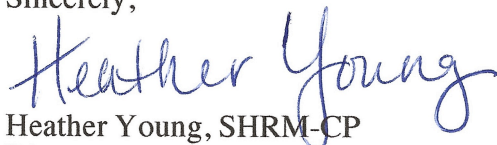

- When entering a new Certified Employee, enter the employee's information, **except the certification expiration date, degree and experience**, and click "Save All Edits" at the bottom of the employee information box. The system will validate the teacher number and social security number against the Oklahoma Educator Credentialing System (OECS). An error will occur if the combination of the two numbers does not match. The teacher's name, expiration date of certificate and degree will populate from OECS.
- **Teacher experience will also pull from SDE records. These fields will reflect calculated totals from teacher service records stored in OECS. There is a report available (located in the reports menu) that will pull all certified staff by site/degree/experience. Be sure to check this against your payroll each year!**
- School e-mail addresses are required on all **certified staff** and requested for all support staff who have been assigned a district email account.
- Enter a Reason For Not Returning (RFNR) for any employee that did not return from the previous year.
- Update all salary/fringe amounts for all current employees and remove any/all unused salary/fringe records from prior year. (Example: Teacher received an extra duty last year, but will not receive increment for FY22.)
- File Submission Upload Instructions can be found on the Single Sign On Systems Menu "Secure Upload Application", "Instructions" tab.
- **Superintendents have access, through Single Sign On, to open district Personnel Reports between reporting periods! Districts no longer need to request access through School Personnel. From Nov 1 - Dec 15 and Feb 15 - May 15, access will be granted through Superintendent rights.**

You will not be able to change the name, degree level, certificate expiration date, or years of experience on existing staff members. Contact our office to resolve any discrepancies. To obtain this information on new employees, refer to the Accreditation/HQT Application in Single Sign-On.

Tutorials and an instruction guide for completing the Certified and Support Personnel Report can be found on the School Personnel Records homepage at <http://sde.ok.gov/sde/school-personnel-records>.

Thank you for your continued efforts to ensure accurate reporting. If you have any questions, please feel free to contact me via e-mail (heather.young@sde.ok.gov) or telephone (405.521.3369).

Sincerely,

Heather Young, SHRM-CP
Director
School Personnel Records
