

OSTP and CCRA Performance Level Cut-Points

Performance Levels provide a broad view of whether a student, curricular program, or group of students is meeting grade-level expectations outlined in our Oklahoma Academic Standards. A student's scale score is used to place them into one of four performance levels: Below Basic, Basic, Proficient, or Advanced. For the Performance Level Snapshot (PLS) measure in the Academic Achievement Indicator, levels of basic, proficient, and advanced and will earn .5, 1.0, and 1.25 points, respectively. The scale score range or cut-points for each performance level used for the PLS portion of the Academic Achievement Indicator are shown below.
