Finding Reviewer Comments in the Grants Management System (GMS)

- When your budget or claim is returned, you will receive an email from the Grants Management System (GMS).
- You will log into GMS to find the comments from the reviewer regarding changes or additional information that may be needed.
- Most often, if you cannot see the comments on a returned budget or claim, it is because your computer is set to **block** pop-up windows.
- The following slides will walk you through finding the reviewer comments in the GMS and provide tips on how to turn off your pop-up blocker, if you need assistance.
