OAC 210:35-5-71

Library media Services
NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

Zion School's Library Media Specialist retired at the end of SY21. We requested a one-year deregulation in order to find and hire a new librarian. During the SY22, the library was staff with a full-time assistant under the approved deregulation; however, Zion did not find a certified librarian to hire for SY23. Therefore, we are requesting a deregulation for another year. We propose to staff the library with a full-time certified teacher with over 30 years of classroom experience. We currently employ a retired teacher that could fill that position. Our request is to staff the library for the upcoming SY23 with an experienced teacher while we continue to search for a certified Library Media Specialist.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

The library would remain open and staffed by a full-time certified career teacher. The school will continue to look for a certified Library Media Specialist throughout the regular school year. The deregulation will be a cost-effective way to cover the much-needed position. The library would remain open and available to our students, teachers, staff and the community under the supervision of a career teacher. Because the library will remain open and fully staffed throughout the school day, after-school hours and during summer school, there would be no loss of educational benefits or decline in student achievement.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Zion School has one site that serves PK-8th grade students in a rural setting. Zion closed out the school year with 297 students. The requirement for staffing the school library for schools with 300 or less students is for a half-time Library Media Specialist to be employed. There would be no loss of educational benefits or decline in student achievement by staffing the library with a full-time career teacher that has valuable classroom experience in both lower and upper elementary classrooms. The students and teachers would have full access to the library during the regular school day as well as during the after-school program and summer school. The continuity of services would only benefit the academic performance levels of the students.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

We are requesting a one-year deregulation in order to find a certified librarian. The library will be available to the students and staff when the new school year begins on August 8 and will remain open throughout the academic year and during summer school. Please find the class schedule, school calendar, and library schedule attached.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

The one-year deregulation will be a cost-saving measure for the school; therefore, it creates a positive financial impact on school finances. It will save the school district the salary of a newly employed teacher with a master's degree in library science compared to reassigning a retired career teacher that is currently employed with the school. The funds will not be allocated for any specific purpose, but set-aside to employ a certified school librarian.

F. Describe method of assessment or evaluation of effectiveness of the plan.

The method of evaluation of effectiveness of the plan to deregulate the staffing requirement for the library will be same as required for evaluating library services offered by a certified Library Media Specialist. The following criteria will be the evidence of an effective plan: How well does the assigned teacher perform these duties? 1) review and evaluation of instructional materials and library books for school purchase, 2) coordination of library services for all populations, 3) maintaining an adequate collection of resources for students and staff, and 4) providing guidance for weeding library collections.

SUBJECT: Deregulation Request of OAC 210:35-5-71 – Library Media Services Elementary School

Zion School is submitting a request for a one-year deregulation of OAC 210:35-5-71 – Library Media Services Elementary School. Zion's Library Media Specialist retired at the end of the 2021 school year after many years of service. Zion is requesting the one-year deregulation to give us time to find and hire a new librarian for our school. During the 2021-2022 school year, the school staffed the library with full-time assistant based on the approved deregulation dated October 1, 2021. For the upcoming school year 2022-2023, we propose staffing the library with a full-time retired career teacher that is currently employed at Zion as one of two 4th grade teachers. Due to the projected class size of next year's 4th grade class, the class will not be split; therefore, the teacher will be available to be reassigned to the library. She is a highly qualified career teacher with over 30 years experience teaching both upper and lower elementary age students. By assigning her to the library, it would ensure that students and staff have access to the library and its resources throughout the regular day by scheduling every class a library period. She would also be available to assist them during other times, including before and after school. She has been an employee of the school the last 4 years, so she knows the staff and students quite well. She is very effective at collaborating with co-teachers to find resources to enhance instruction and learning. We ask for the deregulation to allow time to find a certified library media specialist. The teacher has expressed an interest in pursuing a degree in library media; however, she has not firmly decided that she will. If she commits to working on her LMS degree and certification, we will submit a request for a statutory waiver. Zion's end of year ADM was 297 students; therefore, if the student count remains the same, Zion would only need a half-time certified library media specialist. Please reference the accreditation standard **OAC 210:35-5-71. Staffing: The school shall provide staffing for the media program through one of the following arrangements: (a) (1) Fewer than 300 students: At least a half-time certified library media specialist (librarian).**

Please consider our request to staff the library with a full-time certified career teacher for the upcoming school year. Thank you for consideration of our request.

NAME OF WAIVER

library media services

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?
Financially it is not feasible for Cyril Public School to employ a certified library media specialist. We were forced to move our labrary media specialist to the high school classroom, teaching English.
- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.
To support our student's library needs, the district has positioned devoted aides and has continued to utilize a host community volunteers to keep our library sites operating at peak efficiency. Our District's heavy investment in technology provides our students with the needed resources in every classroom.
- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.
Our students are not deinied access to either library site at any time of the day. Much of the district resources once only found in the library are now contained in every classroom at all sites. The goal of our district has been to provide all resources in the most convenient manner to maximize time on task for the students and classroom teacher.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

One of the many benefits of being apart of a small school is the communication. Our district has two library sites, one at each building location. The building prinicpals communicate with teacher, students and parents

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

To add a certified library media specialist to our payroll would force the district to RIF the position of "Reading Specialist". Our district reading specialist is the reason our RSA goals have been met and struggling students are able to progress with their age level peers.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The Cyril Board of Education and Administration hold high academic standards for our students and staff. The district plan is to continue to provide quality specialized staff such as a Reading Specialist and bring in outside resources to asist students with ACT and other post high school career building tools.

** You will be contacted if more information is needed to process this request.

April 11, 2022

To the Oklahoma State Board of Education
and Superintendent Hofmeister:

Cyril Public School District is requesting a deregulation of the Library Media Services. This request includes all three district sites: Elementary (105), Junior High (610), and High School (715). District library services are at two locations: Cyril Elementary, serving 205 students and Cyril JH & HS, serving 160 students.

The value of a well-run and organized library will remain a top priority for Cyril Public Schools. Library outcomes have evolved over the past two decades with exciting changes via the internet. The primary reason for our request is to save or better yet, reutilize library funds ensuring student services are maintained and new learning technologies are expanded. It is important to note, both library sites will remain open at all times and be overseen by Mrs. LeeAnn Carlson the Librarian/English teacher.

The reutilization of library funds is to enhance a modern learning environment. For example, Cyril Public School maintains a one-to-one device/student ratio. Operating at one-to-one, all Cyril students have access to our growing catalog of e-books and web-based learning programs. COVID-19 taught us that unthinkable events are real and Cyril Public School was prepared to meet the COVID-19 challenge via technology and a modern library.

Sincerely,

Mr. Jamie Mitchell
Superintendent

Services

A. Reason for the waiver/deregulation request (be specific).

The District has maintained the past few years due to the present circumstances due to the COVID-19 issue and has experienced the fact that it is not feasible to employ a full time library media specialist; therefore, the district will continue to fill the position with an existing employee with a Library Certification with one to two hours per day and continue to staff a full time library assistant specifically for the Elementary site. The Elementary will be open full day and the MS and HS sites will be open a portion of each day to ensure students have access for the purpose of research and other materials available.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

The Library will be staffed for one or two hours a day with a certified library media specialist. The remainder of each day will be staffed with a full time library assistant in both the Elementary and Secondary libraries a portion of each day. Library access will be allowed by each individual classroom teacher having the ability to check out materials for students as needed. The educational benefits to the students will be the school's ability to purchase textbooks, curriculum materials and the increased available technology with the funds being saved by operating our libraries with a part-time librarian and full time assistant.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

There has been no negative impact on our students learning. The circulation statistic will be monitored to ensure no drop off in our student's access to the library. Students will have full access to the library as needed.

D. Timeline: (Please submit class schedule, calendars, assessment forms and other attachments as necessary.
A waiver/deregulation can only be granted for a one school year period)
NOTE: A School District Empowerment Waiver can be for up to 3 years.
The Library will be opened each day we are in session for instruction.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

The financial impact will only be positive since the funds will allow the district to continue to purchase and upgrade the materials and technology equipment to service the students.

F. Describe method of assessment or evaluation of effectiveness of the plan.

At each site staff meetings, a survey will be conducted to ensure that teachers and students have the necessary access to materials, technology and library space for instructional use; however, the curriculum records will be reviewed to ensure that students have access to the library has been maintained.

HINTON PUBLIC SCHOOLS

June 21, 2022

Dear Accreditation Section:

Attached please find a deregulation request from the Hinton Public School system requesting deregulation of our school's Library Media services which was approved by the Hinton Board of Education on June 20, 2022. We currently have a certified library media specialist for one seventh of the day and a full-time library assistant to provide library services for our student.

Thank you for your consideration of this request. If the need for further information should exist, please feel free to call 405-542-3257.

Sincerely,

A handwritten signature in black ink that reads "Marcy Derryberry". The script is cursive and fluid, with the first name "Marcy" and last name "Derryberry" clearly legible.

Library Media Services

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Our district has two certified Library Media Specialists. Each will oversee two libraries with one full time assistant in all libraries.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

The strategy is to employ a full-time library assistant in each library. These assistants will be under the direct supervision of Library Media Specialist Tomi Lorah and Library Media Specialist Ashley Swart. Mrs. Lorah will serve in the high school and will supervise the middle school library half days. Ashley Swart will serve full time at the elementary site and will assist at the middle school site as needed throughout the year. Without waiver approval, our middle school library would not be able to operate as it successfully has for the past several years.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

This deregulation was awarded in the 2021-2022 school year with no negative effects. All library services in our district remained the same, performance levels remained consistent, and there was no lapse in library services. With approval of this waiver, our district expects student performance levels to increase or remain consistent.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

This deregulation is for the 2022-2023 school year.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

No negative financial impact to our school district is anticipated. The money saved in this area will help us keep certified teachers in classrooms, and will allow Library Media Specialists and full time library assistants to continue providing services and full time library access to our students.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Data collected through Star Literacy, OSTP and ACT scores, and classroom performance will be reviewed to determine correlation with student library usage and other indicators to determine overall success. Library Media Specialists will be evaluated through the TLE Model. Yearly collaboration meetings and needs assessments are conducted to ensure full student access and effectiveness of the current plan.

** You will be contacted if more information is needed to process this request.

To: Oklahoma State Department of Education
Date: June 10, 2022
Subject: Request for School Site Deregulation for 2022-2023

To Whom It May Concern:

Elgin Public Schools is requesting a School Site Deregulation for the school year 2022-2023. Like many school districts, we are stretching every dollar while still providing a quality education to our students. Granting this request will enable Elgin Public Schools to provide library services to our students with our current Library Media Specialist staff.

Our High School Library Media Specialist will be in the Middle School library half day and the High School library the other half of the day. The Elementary Library Media Specialist will also check on the Middle School site when necessary. In addition to these two certified staffers, we will have a full-time Library Assistant in each of our libraries.

We thank the board for the opportunity to request this deregulation in order to continue to serve our students successfully while remaining fiscally sound throughout the district.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'Nathaniel Meraz', with a long horizontal flourish extending to the right.

Library Media Services
NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

Deregulation is necessary due to a shortage of qualified teachers, and restraints due to budget cuts. Our current librarian who splits her day between the High School and Elementary is needed to teach classes at the Junior High.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

We added back two hours for our current librarian to be in the library. She is just not able to be in there full time. Our current librarian splits her day between the Junior High/High School and the Elementary. We have a full time teacher assistant who is able to open up the library if the need arises for a teacher to bring in their class or if a student needs to check out a book.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

We have not seen any impact with regards to student performance. We do not anticipate any negative affects. Someone is able to open the library anytime that it is needed.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

Our staff has full access to the library throughout the school day. We have been able to put back two hours in the schedule to allow the librarian time to be in the library at the JH/HS in the afternoon. Teachers who need access before that, simply have to call the office and it will be opened for them to use whenever they so choose. If a teacher knows far enough ahead of time we can schedule the librarian to be here in the morning for them as well. We have on staff teacher aides who will be available to open up the library so that it will be accessible for our students and staff.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

The district is able to save money by having the librarian teach classes at the Junior High. This will enable our Junior High to offer classes that we would otherwise not be able to. This will have a positive effect on our Junior High kids. We will be able to offer a reading class for both 7th and 8th grade students. It will also add some elective courses that we have not been able to previously provide. With the flexibility within our schedule it opens up more possibilities for our kids to be college, and career ready.

F. Describe method of assessment or evaluation of effectiveness of the plan.

To determine the effectiveness of this plan we will utilize the state assessments, and ACT scores to see whether or not there will be an impact either positively or negatively by deregulating the library. We will also meet as a staff at the end of the year to discuss any other possible solutions not previously known, and then we will discuss the positive or negative impact that this will have on our kids. The end of the year meeting and discussion will be used to further evaluate and assess moving forward what plan of action we will use with regards to the school library.

This letter is a request for the Geronimo Public School District I-004, Comanche County; to deregulate the districts Junior High/High School library for the 2022-23 School Year. Deregulation is necessary due to budget restraints and a shortage of staff due to budget cuts and restraints. Our current librarian is needed to teach reading classes at the Junior High. Please accept and grant this request.

NAME OF WAIVER

Library media services

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

OAC 210:35-5-71 - Library Media Services Elementary School

OAC 210:35-9-71 - Library Media Services Secondary School

We are requesting to have a part time certified Librarian with a full time library assistant during regular school hours. We are currently operating this way and are asking to continue this for next year.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Our librarian/classroom teacher is retired and we would like to bring her back again next year to work in the library, oversee AR program, oversee book fair, and purchase books.

We are requesting permission to have our Librarian work part time, one day a week, next year. We currently have a full time library assistant to monitor the library during regular school hours. Our library will be open throughout the school day and accessible as it is now. The Librarian will provide oversight to the assistant and monitor the operation of the library on a regular basis. We will be paying the librarian a small salary (compared to full time salary) for her duties.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Fletcher has applied and recieved this waiver for over 10 years now. We want to maintain our current level of library usage by keeping our library open all school day and by having our librarian oversee the daily operation of the library.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

There is no additional staff needed. We will have a full time library assistant. The librarian will only work one day a week. This request is for the 2022-2023 school year.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The cost of hiring a library assistant and paying a stipend to the librarian to oversee the library will be half the cost of hiring a full time teacher.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

At the end of the year, we will compare the amount of student and faculty usage to past years.

** You will be contacted if more information is needed to process this request.

May 12, 2022

Oklahoma State Department of Education
Office of Accreditation
2500 North Lincoln Boulevard
Oklahoma City, Oklahoma 73105

Dear Sir/Madam:

Fletcher Public Schools requests a deregulation for changing the library media staff for our district library.

We are currently operating on a deregulation from last year. Our retired librarian comes in at least one day per week to oversee all operations of the library.

Our currently retired librarian wants to come back and still help oversee the library, its programs, and the fulltime assistant. We will pay the librarian a small salary to come oversee the library one day a week. Her goal is to make sure the library stays status quo (open all day and accessible to students). She would also continue to purchase our books and run our Book Fair. This waiver would allow us to continue to provide outstanding educational opportunities in our school Library, allow us to bring back the experience of our retiring Librarian, and allow us to be fiscally responsible.

Fletcher Public Schools respectfully requests the deregulation regarding OAC 210:35-5-71 and OAC 210:35-9-71 to be approved for the 2020-2021 academic year.

Respectfully,

Shane Gilbreath

Library Media Services

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Mill Creek School is requesting a deregulation for OAC 210:35-5-71 elementary library and 210:35-9-71 high school library services due to the retirement of our long time library media specialist/English teacher three years ago. We had an in house member that had an English degree and that allowed us to save some money and not have to hunt for a library position as we were going to have to let some staff go to do this. We simply do not have the funding to fill this position at this point. I have surveyed current staff to see if anyone has interest in getting this certification and am in hopes that someone will come forward. If the waiver is denied I guess our only option will be to take the warning and beg for a volunteer to help us out.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Mill Creek school has an aide/part time janitor that will be working and keeping the library open and accessible for all students. They will also be the one responsible for deep cleaning the library and books that are returned so that we may reduce the risk of covid transfer. This will allow for no disruption in services and the student the same opportunity to check out books and advance their comprehension skills. If the waiver is denied and we get a warning on our accreditation status I fear that parents will look to us as being unable to serve our students fully and might cause some transfer issues. We lost so many to covid during the covid that we need our kids in school learning. We would still open the library with an aide but the school will look bad to those on the outside and it could hurt our chances of keeping students.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes we received this deregulation last year for the 2021-2022 school year.

The plan we had in place worked really well. The deep cleaning efforts by all staff and the desire to want to keep school open allowed us not to have to close down this past school year. The library was open as usual and it allowed for students to work towards their reading goals and we saw gains in so many students to make up for some of the time that we were out so long two years ago for covid.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

A school calendar for the 2022-2023 school year is attached with this paperwork as well as a library schedule.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The district will benefit financially from this waiver due to the fact that we will not have to search and find a replacement and cover the cost of that salary. This was a part time position to us in the past and the teacher fulfilled her other hours as the English teacher. At this point, it would require us paying an additional person to keep us in compliance. We are strapped financially this year already and it would be a great relief if we were granted this waiver. The funds would be reallocated to simple operations and to staff that are already in place.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, i.e. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

We will check in with our students regularly and make sure they are having access to the books at the levels they need. Our renaissance software and other reading assessments will allow us to track their progress and the amount of words they are reading and the level to which they are comprehending.

** You will be contacted if more information is needed to process this request.

Lorinda Chancellor

Superintendent

April 18, 2022

To: Oklahoma State Department of Education

I am attaching this letter and school calendar to the paperwork for this statutory waiver or deregulation for the library exemption for the 2022-2023 school year.

I have explained that we have no one on staff to fill this position and that I would work on finding someone that is interested in taking this certification.

This will be a money savings for us this school year. We will use an aide as well as the regular classroom teachers to make sure that services continue as they have previously.

Please let me know if you need any additional information. Thank you for your consideration.

Sincerely,

Lorinda Chancellor

Library Media Services
NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

The Hobart Public School system is fortunate enough to have a certified library media specialist employed to cover our school libraries. The reason Hobart Schools is requesting this deregulation is to find a positive solution to keep a part time certified librarian on staff to not disrupt library services to our students during a difficult funding scenario at Hobart Public Schools. This waiver will affect 100% of our student population if approved.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

A certified librarian will be on campus 20 hours per week. The part-time librarian will oversee the elementary and middle school/high school libraries and supervise the non-certified library assistants. The certified librarian will order books and supplies. Additionally, she will train and oversee the assistants. This type of set-up will allow our students the benefit of having access to our libraries Monday through Friday weekly. If this waiver is denied, it would have a negative impact on approximately 680 students by not allowing daily access to our libraries from 8:00 a.m. to 3:00 p.m.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Fortunately, Hobart Public Schools has been awarded this deregulation in the past. The statutory waiver/deregulation allows our students to have access to a part-time certified librarian and non-certified library assistants. Students will have access to research materials, library books and guidance which will have a positive impact on student academic performance.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The deregulation process would begin the first day of school, August 11, 2022 and would continue through the last day of school, May 11, 2023. Please see attached school calendar.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

This deregulation would result in a financial savings to Hobart Public Schools of approximately \$38,000.00 to \$42,000.00 per academic year. We will use the money saved by having a part-time librarian to help pay for certified classroom teachers.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Assessment and/or evaluation of the effectiveness of this deregulation will be an ongoing communication about student progress, ACT scores, graduation rates, RSA, etc. from August 8, 2022 to May 12, 2023.

** You will be contacted if more information is needed to process this request.

Dear Sir or Madam:

I am requesting a deregulation for our 2022-2023 Elementary Library Media Services (OAC 210:35-5-71). Hobart Public Schools has a very successful Elementary Library. Our library is accessible from 8:00 a.m. until 3:00 p.m. Monday through Friday during the school year. Our staff is well trained and knowledgeable in meeting the needs of our students. See enclosed application for deregulation.

Thank you for your consideration.

Respectfully,

Cathy Hunt

NAME OF WAIVER *Services*

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

The Hobart Public School system is fortunate enough to have a certified library media specialist employed to cover our school libraries. The reason Hobart Schools is requesting this deregulation is to find a positive solution to keep a part time certified librarian on staff to not disrupt library services to our students during a difficult funding scenario at Hobart Public Schools. This waiver will affect 100% of our student population if approved.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

A certified librarian will be on campus 20 hours per week. The part-time librarian will oversee the elementary and middle school/high school libraries and supervise the non-certified library assistants. The certified librarian will order books and supplies. Additionally, she will train and oversee the assistants. This type of set-up will allow our students the benefit of having access to our libraries Monday through Friday weekly. If this waiver is denied, it would have a negative impact on approximately 680 students by not allowing daily access to our libraries from 8:00 a.m. to 3:00 p.m.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Fortunately, Hobart Public Schools has been awarded this deregulation in the past. The statutory waiver/deregulation allows our students to have access to a part-time certified librarian and non-certified library assistants. Students will have access to research materials, library books and guidance which will have a positive impact on student academic performance.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The deregulation process would begin the first day of school, August 11, 2022 and would continue through the last day of school, May 11, 2023. Please see attached school calendar.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

This deregulation would result in a financial savings to Hobart Public Schools of approximately \$38,000.00 to \$42,000.00 per academic year. We will use the money saved by having a part-time librarian to help pay for certified classroom teachers.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Assessment and/or evaluation of the effectiveness of this deregulation will be an ongoing communication about student progress, ACT scores, graduation rates, RSA, etc. from August 8, 2022 to May 12, 2023.

** You will be contacted if more information is needed to process this request.

Dear Sir or Madam:

I am requesting a deregulation for our 2022-2023 High School/Middle School Library Media Services (OAC 210:35-9-71 & OAC 210:35-7-61). Hobart Public Schools has a very successful High School/Middle School Library. Our library is accessible from 8:00 a.m. until 3:00 p.m. Monday through Friday during the school year. Our staff is well trained and knowledgeable in meeting the needs of our students. See enclosed application for deregulation.

Thank you for your consideration.

Respectfully,

Cathy Hunt
Superintendent

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

At the elementary level, employing two certified library specialist or employing certified teachers to keep our elementary classrooms under twenty-five was a decision we had to make financially. Research shows that students in smaller classes perform better on state examinations. Therefore, we plan to staff the elementary libraries with full-time Assistants who will keep the libraries open all day for teachers to schedule their classes into the library so the teachers may teach research/library skills. These skills will be incorporated into the daily classroom lessons. The student library check-in/check-out process will be provided by the library assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

This plan will best serve our students because our students will be receiving lessons on literacy informational skills, research skills, and technology skills as required by the Oklahoma Academic Standards, taught by their classroom teacher. Our elementary classrooms are equipped with Chromebook carts and/or iPad carts so these skills will be implemented and enriched within the curriculum and lessons taught every day. At the elementary level, having the classroom teacher provide the students with rigorous lessons addressing the standards in connection with the hands-on curriculum of bringing research and technology together will be more beneficial than a one-time lesson taught during a library time. Our students will have a library that is staffed by a full time library aide for the check-out/check-in process of books.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

We believe that the design of this plan for teaching the library skills through hands-on lessons by the classroom teacher will help to provide a well-rounded and robust educational experience for students at the elementary level. Having the skills incorporated into daily lessons will be more beneficial to younger students than going to the library once a week for a thirty-minute lesson. If students are allowed to repeatedly apply new skills, they are more likely to retain the information long term; therefore, insuring our students will become experts at research, inquiry and technology by the time they reach the secondary level.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.
see attached

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.
Our plan of hiring two certified elementary classroom teachers will benefit our district by allowing us to keep our class sizes smaller at the elementary level. Research has proven that smaller class size directly effects better performance on state examinations. Our classroom teachers are incorporating all required Oklahoma Academic Standards within the classroom by using rigorous cross curriculum hands on approach. We have hired a full time library assistant for each site to work with the classroom teachers and for the check-in and check-out process of books to our students.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
We plan to monitor and assess the effectiveness of this plan through student performance questionnaires, teacher surveys, student pre-test and post-test data, and parent surveys. We will review the performance level of students in grades three through sixth to see how this change is influencing student performance and proficiency levels.

** You will be contacted if more information is needed to process this request.

Board Minutes for July 11, 2022

Chandler School District I-001

Minutes Report

The Board of Education of Chandler Independent School District I-1, Lincoln County, Oklahoma met in special session at the High School/Administration building in said district on the **11th day of July 2022 at 7:00 p.m.**

Pursuant to provision of 24.O.S. 301 et seq. (1977), notice had been given to the County Clerk of Lincoln county, Oklahoma, prior to December 15, 2021, that the regular meetings of the Board of Education of Chandler School District I-1, Lincoln County, Oklahoma, would be held on the second Monday of each month at the High School/Administration building, 901 South CHS Street, Chandler, Oklahoma, commencing at 7:00 p.m.

At least twenty-four (24) hours prior to **July 11, 2022** and on **July 8, 2022** a public notice of said meeting was displayed setting forth thereon the date, time, place, and agenda for said meeting. Said public notice was posted in prominent public view at the principal office of the Chandler Board of Education and at the location of said meeting. A copy of said notice and agenda is attached hereto, marked as Exhibit "A" and made a part of these minutes.

1. CALL TO ORDER: Meeting was convened at **7:00 p.m.** by Board President **Joseph Irby**.

A. ESTABLISHMENT OF QUORUM:

Roll Call

Mr. Lee- present
Mr. Jarvis- present
Mr. Irby- present
Mr. White- present
Mr. Christy- present

B. Guest Present- Present were Superintendent Melody Toma, Clerk Kristy Cunningham, and Minutes Keeper Natalie Ussrey. Other present were Troy German.

2. FLAG SALUTE AND MOMENT OF SILENCE

3. CONSENT AGENDA:

A.-D. On a motion made by Tony Jarvis, seconded by Matt White, the board accepted and approved all items on the consent agenda, including claims and accounts, minutes of the June 13, 2022 meeting. Fundraiser requests were also discussed and accepted.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

(C.) ITEMS FOR INFORMATION:

- Resignation of Stuart Symes
- Troy German spoke about School Safety
- Administrative Reports

4. BUSINESS AGENDA:

A. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved a request to the State Department of Education to have the 2022/2023 school year based on 1080 hours and 165 days of instruction. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

B. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Memorandum of Understanding with the Lincoln County Sheriff's Office for a school resource officer for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

C. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved to authorize the Superintendent to act as the Chandler School District Purchasing Agent for FY23. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

D. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved to authorize the Superintendent of Schools to act as the main point of contact for redistricting assistance of our local school board voting districts through the Oklahoma House of Representatives and will communicate the necessary information to our local school board. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

E. Discussion of compliance with the Children's Internet Protection Act (CIPA) for FY 2023.

F. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Resolution for Schools and Libraries Universal Services (E-Rate) for the 2022/2023 school year. The resolution authorizes filing of the Form 471 applications for funding year 2022/2023 and the payment of the applicant's share upon approval of funding and receipt of services. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

G. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Superintendent of Schools to act as the district agent for food commodities, national school lunch and milk programs, and the filing of all other records as required by the U.S. Department of Education for FY23. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

H. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the contract with the Oklahoma Department of Career Tech for funding of the Ag Education, Business and Information Technology, STEM, and Family and Consumer Sciences for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

I. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the request for deregulation of library staffing as East Side, Park Road, and Secondary libraries for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

J. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the contract with Kellogg & Sovereign Consulting, LLC for the E-Rate management services. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

K. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved Celeste Spruill as an adjunct teacher for four hours of 7th grade Math. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

L. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved Robert Gray as an adjunct teacher for four hours of Oklahoma History. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

M. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the encumbrances for 12- month employees and summer help for FY23. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

N. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the teacher salary schedule for FY23. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

O. On a motion made by Joseph Irby seconded by Matt White the board discussed and approved the extra duty schedule for the 2022/2023 school year. Motion carried.

Christy- nay; Jarvis- aye; White-aye; Irby-aye; Lee- aye

P. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Facility Agreement with Crossroads Youth and Family Co-op Head Start for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

Q. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Memorandum of Understanding with Crossroads Youth and Family Services Co-Op Head Start for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

R. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Special Services Agreement with Crossroads Youth and Family Services Co-op Head Start for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

S. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the revised policy "Child Nutrition and Physical Fitness Program". Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

U. On a motion made by Tony Jarvis, seconded by Matt White the board voted to convene into executive session at 7:52 p.m. to discuss the hiring, appointment, promotion, demotion, disciplining or resignation of listed personal pursuant to O.S 25 307 (B)(1). Motion carried.

- Employment of a Secondary Agriculture Education Teacher/FFA Advisor
- Employment of an Elementary Teacher
- Employment of a Title VI Tutor

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

V. The board acknowledged the return into open session at 8:05 p.m.

W. Statement of Executive Minutes read by Board President, Joseph Irby.

“The Board convened into executive session. All board members were present. The matters discussed in the executive session were: employment of a Secondary Agriculture Education Teacher/ FFA Advisor, employment of an Elementary Teacher, employment of a Title VI Tutor. No action or votes were taken during the executive session.”

X. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the employment of Madison Deeds as a Secondary Agriculture Education Teacher/ FFA Advisor. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

Y. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the employment of Sarah Gross as an Elementary Teacher. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

Z. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the employment of Kimberly Dabbs as a Title VI Tutor. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

AA. NEW BUSINESS- none

BB. On a motion by Tony Jarvis, seconded by Matt White the board voted to adjourn the meeting at 8:07 p.m. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

Minutes prepared by Natalie Ussrey, Minutes Clerk

Minutes Clerk Natalie Ussrey

Scott Baade
Superintendent

July 12, 2022

State Department of Education
Accreditation Division
2500 North Lincoln Boulevard, Suite 210
Oklahoma City, OK 73105-4599

State Accreditation Official,

Chandler Public Schools is presenting a deregulation application for Library Media Services at both of our both elementary sites. Park Road Elementary is a third, fourth, fifth and sixth grade school with approximately 330 students. Pre-K through second grade is at East Side Elementary with approximately 310 students.

As a smaller district, we do not have a large staff and our classes are always full but we work very hard to restrict our class sizes to no more than twenty-five students. At the elementary level, employing two certified library specialist or employing certified teachers to keep our elementary classrooms under twenty-five was a decision we had to make financially. Research shows that students in smaller classes perform better on state examinations. Therefore, we plan to staff the elementary libraries with full time Library Assistants who will keep the libraries open all day so teachers may use the library to teach research and library skills. These skills will also be incorporated into the everyday classroom lessons. The student library check-out and check-in process will be provided through the Library Assistants.

We have computer carts for one-to-one technology at the elementary levels this year and our goal is to integrate research skills and technology skills within all courses through lessons and practical everyday application. The growth and development of students is a priority and bringing them rich and rigorous instruction is our focus with this proposal.

Sincerely,

Scott Baade
Superintendent

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

At the elementary level, employing two certified library specialist or employing certified teachers to keep our elementary classrooms under twenty-five was a decision we had to make financially. Research shows that students in smaller classes perform better on state examinations. Therefore, we plan to staff the elementary libraries with full-time Assistants who will keep the libraries open all day for teachers to schedule their classes into the library so the teachers may teach research/library skills. These skills will be incorporated into the daily classroom lessons. The student library check-in/check-out process will be provided by the library assistant.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

This plan will best serve our students because our students will be receiving lessons on literacy Informational skills, research skills, and technology skills as required by the Oklahoma Academic Standards, taught by their classroom teacher. Our elementary classrooms are equipped with Chromebook carts and/or iPad carts so these skills will be implemented and enriched within the curriculum and lessons taught every day. At the elementary level, having the classroom teacher provide the students with rigorous lessons addressing the standards in connection with the hands-on curriculum of bringing research and technology together will be more beneficial than a one-time lesson taught during a library time. Our students will have a library that is staffed by a full time library aide for the check-out/check-in process of books.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

We believe that the design of this plan for teaching the library skills through hands-on lessons by the classroom teacher will help to provide a well-rounded and robust educational experience for students at the elementary level. Having the skills incorporated into daily lessons will be more beneficial to younger students than going to the library once a week for a thirty-minute lesson. If students are allowed to repeatedly apply new skills, they are more likely to retain the information long term; therefore, insuring our students will become experts at research, inquiry and technology by the time they reach the secondary level.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.
see attached

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.
Our plan of hiring two certified elementary classroom teachers will benefit our district by allowing us to keep our class sizes smaller at the elementary level. Research has proven that smaller class size directly effects better performance on state examinations. Our classroom teachers are incorporating all required Oklahoma Academic Standards within the classroom by using rigorous cross curriculum hands on approach. We have hired a full time library assistant for each site to work with the classroom teachers and for the check-in and check-out process of books to our students.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.
We plan to monitor and assess the effectiveness of this plan through student performance questionnaires, teacher surveys, student pre-test and post-test data, and parent surveys. We will review the performance level of students in grades three through sixth to see how this change is influencing student performance and proficiency levels.

Chandler School District I-001

Minutes Report

The Board of Education of Chandler Independent School District I-1, Lincoln County, Oklahoma met in special session at the High School/Administration building in said district on the **11th day of July 2022 at 7:00 p.m.**

Pursuant to provision of 24.O.S. 301 et seq. (1977), notice had been given to the County Clerk of Lincoln county, Oklahoma, prior to December 15, 2021, that the regular meetings of the Board of Education of Chandler School District I-1, Lincoln County, Oklahoma, would be held on the second Monday of each month at the High School/Administration building, 901 South CHS Street, Chandler, Oklahoma, commencing at 7:00 p.m.

At least twenty-four (24) hours prior to **July 11, 2022** and on **July 8, 2022** a public notice of said meeting was displayed setting forth thereon the date, time, place, and agenda for said meeting. Said public notice was posted in prominent public view at the principal office of the Chandler Board of Education and at the location of said meeting. A copy of said notice and agenda is attached hereto, marked as Exhibit "A" and made a part of these minutes.

1. CALL TO ORDER: Meeting was convened at 7:00 p.m. by Board President **Joseph Irby**.

A. ESTABLISHMENT OF QUORUM:

Roll Call

Mr. Lee- present
Mr. Jarvis- present
Mr. Irby- present
Mr. White- present
Mr. Christy- present

B. Guest Present- Present were Superintendent Melody Toma, Clerk Kristy Cunningham, and Minutes Keeper Natalie Ussrey. Other present were Troy German.

2. FLAG SALUTE AND MOMENT OF SILENCE

3. CONSENT AGENDA:

A.-D. On a motion made by Tony Jarvis, seconded by Matt White, the board accepted and approved all items on the consent agenda, including claims and accounts, minutes of the June 13, 2022 meeting. Fundraiser requests were also discussed and accepted.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

(C.) ITEMS FOR INFORMATION:

- Resignation of Stuart Symes
- Troy German spoke about School Safety
- Administrative Reports

4. BUSINESS AGENDA:

A. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved a request to the State Department of Education to have the 2022/2023 school year based on 1080 hours and 165 days of instruction. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

B. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Memorandum of Understanding with the Lincoln County Sheriff's Office for a school resource officer for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

C. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved to authorize the Superintendent to act as the Chandler School District Purchasing Agent for FY23. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

D. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved to authorize the Superintendent of Schools to act as the main point of contact for redistricting assistance of our local school board voting districts through the Oklahoma House of Representatives and will communicate the necessary information to our local school board. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

E. Discussion of compliance with the Children's Internet Protection Act (CIPA) for FY 2023.

F. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Resolution for Schools and Libraries Universal Services (E-Rate) for the 2022/2023 school year. The resolution authorizes filing of the Form 471 applications for funding year 2022/2023 and the payment of the applicant's share upon approval of funding and receipt of services. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

G. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Superintendent of Schools to act as the district agent for food commodities, national school lunch and milk programs, and the filing of all other records as required by the U.S. Department of Education for FY23. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

H. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the contract with the Oklahoma Department of Career Tech for funding of the Ag Education, Business and Information Technology, STEM, and Family and Consumer Sciences for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

I. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the request for deregulation of library staffing as East Side, Park Road, and Secondary libraries for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

J. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the contract with Kellogg & Sovereign Consulting, LLC for the E-Rate management services. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

K. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved Celeste Spruill as an adjunct teacher for four hours of 7th grade Math. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

L. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved Robert Gray as an adjunct teacher for four hours of Oklahoma History. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

M. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the encumbrances for 12- month employees and summer help for FY23. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

N. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the teacher salary schedule for FY23. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

O. On a motion made by Joseph Irby seconded by Matt White the board discussed and approved the extra duty schedule for the 2022/2023 school year. Motion carried.

Christy- nay; Jarvis- aye; White-aye; Irby-aye; Lee- aye

P. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Facility Agreement with Crossroads Youth and Family Co-op Head Start for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

Q. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Memorandum of Understanding with Crossroads Youth and Family Services Co-Op Head Start for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

R. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the Special Services Agreement with Crossroads Youth and Family Services Co-op Head Start for the 2022/2023 school year. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

S. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the revised policy "Child Nutrition and Physical Fitness Program". Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

U. On a motion made by Tony Jarvis, seconded by Matt White the board voted to convene into executive session at 7:52 p.m. to discuss the hiring, appointment, promotion, demotion, disciplining or resignation of listed personal pursuant to O.S 25 307 (B)(1). Motion carried.

- Employment of a Secondary Agriculture Education Teacher/FFA Advisor
- Employment of an Elementary Teacher
- Employment of a Title VI Tutor

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

V. The board acknowledged the return into open session at 8:05 p.m.

W. Statement of Executive Minutes read by Board President, Joseph Irby.

“The Board convened into executive session. All board members were present. The matters discussed in the executive session were: employment of a Secondary Agriculture Education Teacher/ FFA Advisor, employment of an Elementary Teacher, employment of a Title VI Tutor. No action or votes were taken during the executive session.”

X. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the employment of Madison Deeds as a Secondary Agriculture Education Teacher/ FFA Advisor. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

Y. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the employment of Sarah Gross as an Elementary Teacher. Motion carried.

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

Z. On a motion made by Tony Jarvis seconded by Matt White the board discussed and approved the employment of Kimberly Dabbs as a Title VI Tutor. Motion carried.

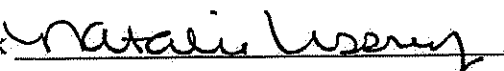

Christy- aye; Jarvis- aye; White-aye; Irby-aye; Lee- aye

AA. NEW BUSINESS- none

BB. On a motion by Tony Jarvis, seconded by Matt White the board voted to adjourn the meeting at 8:07 p.m. Motion carried.

July 12, 2022

State Department of Education
Accreditation Division
2500 North Lincoln Boulevard, Suite 210
Oklahoma City, OK 73105-4599

State Accreditation Official,

Chandler Public Schools is presenting a deregulation application for Library Media Services at both of our both elementary sites. Park Road Elementary is a third, fourth, fifth and sixth grade school with approximately 330 students. Pre-K through second grade is at East Side Elementary with approximately 310 students.

As a smaller district, we do not have a large staff and our classes are always full but we work very hard to restrict our class sizes to no more than twenty-five students. At the elementary level, employing two certified library specialist or employing certified teachers to keep our elementary classrooms under twenty-five was a decision we had to make financially. Research shows that students in smaller classes perform better on state examinations. Therefore, we plan to staff the elementary libraries with full time Library Assistants who will keep the libraries open all day so teachers may use the library to teach research and library skills. These skills will also be incorporated into the everyday classroom lessons. The student library check-out and check-in process will be provided through the Library Assistants.

We have computer carts for one-to-one technology at the elementary levels this year and our goal is to integrate research skills and technology skills within all courses through lessons and practical everyday application. The growth and development of students is a priority and bringing them rich and rigorous instruction is our focus with this proposal.

Sincerely,

Scott Baade
Superintendent

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Chandler Public Schools is a small rural district. As a smaller district, we do not have a large staff and our classes are always full but we work very hard to restrict our class sizes to no more than twenty-five students. We currently employ a certified library media specialist, Shelley Myers at the secondary library. Ms. Harris is also a certified elementary teacher. Our numbers are requiring an additional section of seventh grade English. It is not financially feasible to hire another full time English teacher for one section. Therefore, we need Ms. Harris to teach one section of seventh grade English. During that hour, a library aide will assist students.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We have implemented a one-to-one technology program for all of our secondary students. All teachers in all subjects are incorporating rigorous lessons addressing the AASA Standards Framework of: Inquire Include, Collaborate, Curate, Explore and Engage. These foundations are no longer just required within the library but within the classroom and the outside world. Teaching these skills every day in connection with the various courses and technology, our students will receive a well-rounded education. Ms. Harris serves as a mentor for our staff on ways to implement these skills within the classroom. Ms. Harris is also available all day, with the exception on one hour, to work directly with students and teachers. During the one hour that she is not in the library, a library assistant will be in the library to assist in the check-out/check-in process.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes, we have been awarded a deregulation before. We believe that the design of this plan for teaching the library skills through hands-on lessons by the classroom teacher helps to provide a well-rounded and robust educational experience for students. The emphasis on research and reporting skill through these lessons will enhance the learning skill taught to students. Students will still have full access to the library and its resources as they work on lessons within the courses and through technology integration. All of these factors will enhance and not hinder their depth of knowledge in the areas of research, exploration, inquiry and discovery. We believe that this type of blended learning is essential for our students.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

See attached

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Our plan of allowing our librarian to teach one section of seventh grade English will save the district the cost of a full time certified teacher that is only needed for one seventh of the day. This allows us to employee a certified Library Media Specialist for the secondary level. Her knowledge base of library skills and ways to incorporate them into the classroom on a daily basis is invaluable to our staff. This plan will have a positive effect on our students in that it allows every teacher to integrate these skills into their lessons ensuring our students graduate from Chandler Schools with the skills needed to enter the work force or further their education.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

We plan to monitor and assess the effectiveness of this plan through student performance in the classroom, performance and proficiency levels on state testing, teacher surveys, pre-test and post-test data and parent surveys.

** You will be contacted if more information is needed to process this request.

Board Minutes for July 11, 2022

Chandler School District I-001

Minutes Report

The Board of Education of Chandler Independent School District I-1, Lincoln County, Oklahoma met in special session at the High School/Administration building in said district on the **11th day of July 2022 at 7:00 p.m.**

Pursuant to provision of 24.O.S. 301 et seq. (1977), notice had been given to the County Clerk of Lincoln county, Oklahoma, prior to December 15, 2021, that the regular meetings of the Board of Education of Chandler School District I-1, Lincoln County, Oklahoma, would be held on the second Monday of each month at the High School/Administration building, 901 South CHS Street, Chandler, Oklahoma, commencing at 7:00 p.m.

At least twenty-four (24) hours prior to **July 11, 2022** and on **July 8, 2022** a public notice of said meeting was displayed setting forth thereon the date, time, place, and agenda for said meeting. Said public notice was posted in prominent public view at the principal office of the Chandler Board of Education and at the location of said meeting. A copy of said notice and agenda is attached hereto, marked as Exhibit "A" and made a part of these minutes.

1. CALL TO ORDER: Meeting was convened at **7:00 p.m.** by Board President **Joseph Irby**.

A. ESTABLISHMENT OF QUORUM:

Roll Call

Mr. Lee- present
Mr. Jarvis- present
Mr. Irby- present
Mr. White- present
Mr. Christy- present

B. Guest Present- Present were Superintendent Melody Toma, Clerk Kristy Cunningham, and Minutes Keeper Natalie Ussrey. Other present were Troy German.

2. FLAG SALUTE AND MOMENT OF SILENCE

3. CONSENT AGENDA:

A.-D. On a motion made by Tony Jarvis, seconded by Matt White, the board accepted and approved all items on the consent agenda, including claims and accounts, minutes of the June 13, 2022 meeting. Fundraiser requests were also discussed and accepted.

State Accreditation Official,

Chandler Public Schools is presenting a deregulation application for Library Media Services at our secondary campus for Junior High and High School along with both elementary sites. Chandler Junior High has approximately 175 students and the High School has approximately 320 students enrolled for the 2022-2023 school year.

As a smaller district, we do not have a large staff and our classes are always full but we work very hard to restrict our class sizes to no more than twenty-five students. We currently employ a certified Library Media Specialist, Shelly Harris at the secondary library. Ms. Harris is also a certified elementary teacher. Our numbers are requiring an additional section of seventh grade English.

Our plan is for Ms. Harris to be in the library all day with the exception of last hour. During that hour, a library aide will be in the library to assist students with the check in and check out process. Ms. Harris, being an certified teacher, will be meeting with the English Department to ensure all courses are incorporating research skills within their curriculum.

We have one-to-one technology at the secondary level and our goal is to integrate research skills and technology skills within all courses through lessons and practical everyday application. The growth and development of students is a priority and bringing them rich and rigorous instruction is our focus with this proposal.

Sincerely,

Scott Baade
Superintendent

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

There is a real shortage of competent and certified library media specialist in our area. We plan to hire a 1/2 time support person to manage, oversee and promote library services to include continuation of our new reading program and research opportunities of our library.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We plan to provide the same service and opportunities for our students. We are just going to do it cheaper. We will still have a full-time aide in the library. We are also hiring 1/2 time support person to do some of the organizing and paperwork.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Even though this is not our first year to be awarded, our goal will continue to be to increase student performance through the promotion and utilization of the library. Our Elementary site actually implemented a new reading program to help increase student performance.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Library media services will be available throughout the school day utilizing various staff members. This allows us to monitor student involvement and gives us reliable data for evaluation.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Yes, there is a significant savings and in this case can be effective and more cost efficient thus allowing us to hire another 1/2 teacher or aide thus reducing class size.

\$22,000 1/2 time librarian (usual cost)
\$12,000 full time aide
\$34,000

Proposed Next Year
\$ 5,000 1/2 time librarian assistant
\$12,000 full time aide
\$17,000

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

State Reading and Writing Test
Benchmark Assessments
Research skills observed
Teacher surveys

RE: Deregulations Application - Cornelsen Elementary School 2022-2023
OAC 210:35-5-71

To Whom It May Concern:

Our request is to waive/dereg the 1/2 time library media specialist with full time aide for our size school.

Our desire is to contract with a certified librarian for less than 1/2 time to continue to provide the same level of facilitation and promotion of the library as always. We will hire a 1/2 time librarian assistant to assist with the inventory, ordering, stocking and helping students with our new reading program. We also will continue to provide a full-time library aide.

Your consideration is appreciated. Please advise if further information is required.

Sincerely,

A handwritten signature in black ink, appearing to read 'Craig A. Church'. The signature is fluid and cursive, with a large, stylized 'C' at the beginning and end.

Library Media Services
NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Due to our location, we have had difficulty in the past in finding a half-time certified media specialist. As a result, we have utilized a very competent person with a math degree and vast experience with technology and on-line opportunities for research and class options. These are in addition to our traditional library media services.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We have invested in and plan to continue investing in the digital technology options with computers, tablets and on-line curriculum to supplement classroom activities. We have increased the number of students on on-line instruction and digital research. We have implemented one-to-one technology with our senior, junior, sophomore and freshman classes.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

We have experienced an increase in utilization of media services and on-line media utilization during the past school year. We anticipate that utilization will continue to increase as student awareness has an additional effect.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Library media services will be available throughout the school day utilizing various staff members. This allows us to monitor student involvement and gives us reliable data for evaluation.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

We have been able to increase our investment in technology, on-line options and multiple media services and spend less in salaries. We feel it has been and will continue to be more beneficial for students and a better use of funds.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Monitoring and data collection will continue as we hopefully proceed with this alternative plan. Year end reports will be provided.

NAME OF WAIVER

Library Media Services

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

We are requesting a statutory waiver for OAC 210:35-5-71(ES),
OAC 210:35-7-61(MS), OAC 210:35-9-71(HS) - Library Media Staffing

We are requesting that our Certified Elementary Librarian oversee the library for our lower Elementary, Middle School and High School students. We will provide 3 full time library assistants that meet the criteria of paraprofessionals.

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

Being able to utilize existing staff will allow us to maintain current class size and keep core curriculum a priority.

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

We anticipate a positive impact of the performance level of students.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

We will offer the required number of hours per week for media specialist at all sites. The first day of class is August 18, 2022 and the last day of class is May 24, 2023.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

We anticipate a positive financial impact because we will utilize our existing staff, rather than filling this position with an individual on emergency certification.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Effectiveness of the plan will be assessed through input from the staff and students. It will also be assessed through the number of students utilizing resources offered through the library.

** You will be contacted if more information is needed to process this request.

Checotah Public School

Phone: 918-473-5610
Monte Madewell, Superintendent

June 29, 2022

State Board of Education

RE: Request for deregulation and statutory waiver

To Whom It may Concern:

Checotah Public School is requesting the following deregulation and statutory waiver:

- **Statutory Waiver 70 O.S. 3-126 OAC 210:35-5-71 (ES); OAC 210:35-7-61 (MS); and OAC 210:35-9-71(HS) Library Media Services**

We currently have less than 1500 students enrolled in our district. We are a small school and all sites are in close proximity. We have one certified media specialist that oversees each of our libraries and works with each of our three highly qualified paraprofessionals, so that each library can be open the entire school day to serve our students.

Sincerely,

Monte Madewell
Superintendent of School

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Due to the size of our school it has become necessary to not have a half time librarian. The librarian also teaches all of the high school english classes and will only be available for two hours per day for library services. The library is also available for an additional hour with a high school student working in a library skills class. If deregulation is not allowed, we would be forced to have an additional staff member hired or apply for a teacher to teach outside of their certification area. Very cost prohibitive. Elementary and high school teachers are allowed to take their individual classes to the library any time they need to. Access is not limited to the two hours the library is staffed by a certified librarian.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.
- This will not negatively impact our district in any way. Services will be provided and this method has served us well over the past many years we have done this. All students in the elementary and high school are given adequate time in the library for necessary tasks.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?
- We have not had a dereg for library services in the past. Educational impacts should be negligible.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation?
If positive please describe where the available would be reallocated.

There is no financial impact to the district if the deregulation is approved.
However, if it is not, it would have a huge impact on the district as we would have to hire a full or part-time librarian to fill that position providing that we could even find one to hire. That is not something that this small school district could afford.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The dereg. is not tied to academic outcomes. The impact on these areas is negligible.

** You will be contacted if more information is needed to process this request.

May 10, 2022

Accreditation Standards Division:

Sasakwa Schools would like to submit a deregulation application pertaining to our library media services. We have a library media specialist, but she is unable to be in the library for a full half day due to teaching obligations and school size. We are requesting a deregulation so that we may staff the library less than half of a day. We have done this for years and it has worked out very well for us. The library is accessible to staff and students even when the certified librarian is not there so it does not affect learning.

Sincerely,

Kyle Wilson
Sasakwa Public Schools Superintendent

NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

We are a small rural Pre-K to 8th, with less than 400 hundred students, located east of Norman. After our full-time Librarian resigned in 2018 we hired a full-time assistant tha has been able to serve our students in a highly effective manner for the past 4 years. Our alternative plan would be to reassign our STEAM/GT/Math interventionist teacher to the library for the required time each day. She is a certified librarian who already assists our full-time experienced assistant 2 hours per day. All students will benefit from this waiver becuase they all attend STEAM classes for an elective. If we are not granted the waiver we will have to hire another certified teacher which is not feasible for our budget.

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied. 

Our Plan is to continue with a full-time Library Assistant that has been employed by Robin Hill for many years. The students will not experience any disruptions in services. Our library is open every school calendar day, all day, providing books and materials to students, teachers, and others as needed. A negative impact would take place if we had to reassign the certified librarian to the library all day. She is making such a positive impact on all students as the STEAM/GT/Math Interventionist teacher as well as providing support for our full time assistant 2 hours per day.

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Our school is a single site district and we do not anticipate there will be any negative impact on the students in any way. Our district has been high performing and maintaining the same services should provide equal opportunities for students to be successful.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The media center assistant's schedule is attached to this document. We would like to request a 3-year deregulation with the understanding that the media center assistant's schedule would be submitted annually. Noreen Diedrick is at the bottom of the schedule. The library is open daily 8:05 am - 2:45 pm. Sarah Sherrill is the certified librarian. She is currently in the library at the beginning of the day and the end of each day.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

Robin Hill will see a positive impact on the staff school budget. School budget stability will ensure students are receiving all tools needed to be successful. If the waiver is not granted, we would have to hire an additional certified staff member and release the library assistant of her duties. We do not need 2 full time staff members in the library for our sized of school

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

We will evaluate the effectiveness weekly. Our district is small in size and we can easily identify any procedural or academic weaknesses. We will do this through visiting with the staff members and students about their experience in the library. We will ask probing questions about how it is helping them grow academically and the ease of the procedures inside the library to access materials. We track all RSA, AR and Star testing results to make sure student growth is taking place.

** You will be contacted if more information is needed to process this request.

MELISSA BAUGHMAN, SUPERINTENDENT

Robin Hill is requesting a deregulation for **Library Media Services Elementary School (OAC 210.35-5-71)**. We are a high performing small rural school and this will have a positive impact on our school budget. Students will continue to be successfully served and supported by our full-time library assistant. Noreen Deidrick has been with our district for many years. She is committed employee that has served Robin Hill families for years. Thank you for your consideration.

Library Media 210:35-9-71

NAME OF WAIVER

Library Media Services

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

Cache has 1 full-time librarian for 3 sites (5 libraries), and a full-time library assistant at each library. This has benefited all students (2038) because we are able to provide multiple libraries and access, and keep them open at all times. We have not been able to hire an additional librarian, due to applicant shortages & funding. Without the full-time assistants, and this waiver, we would need to rotate and close the libraries at times.

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

The strategy is to employ a full-time library assistant at each site. These library assistants will be under the direct supervision of a District Librarian Amy Mullen. Mrs. Mullen will supervise the library assistants and oversee libraries. All Cache schools are located on one campus and easily accessible for librarian to travel to different site. The library assistants are trained and attend PD/PL, such as OKSTE (formerly Encyclomedia).

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

We do not believe there has been any impact on the students' performance levels utilizing this plan. Our library assistants are highly trained. For the past 2 years, the library assistant at the HS has presented at the Oklahoma Library Assoc. All students have access to a library within their building during school hours. We use electronic access for students to browse titles 24/7 for the libraries to locate and reserve books.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

This deregulation is for three years: 2022-2023, 2023-2024, & 2024-2025.

See appendix A for LMS evaluation form.

See appendix B for District Librarian's schedule

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

No negative financial impact to our school district is anticipated. Positive impact could include a cost savings of library assistant over certified librarian. Any savings is put back into library materials.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Standardized student assessments are monitored annually, and board of education adopted Library Media Specialist evaluation tool will be used to evaluate Certified Library services throughout the school year. See Appendix A.

** You will be contacted if more information is needed to process this request.

Appendix B

Amy Mullen - Cache District Librarian

I spend half of my day (morning) visiting each library site. I visit high school once or twice a week since there are no scheduled classes coming in regularly.

I complete the following tasks the remaining half of the day as needed in my office:

- Accelerated Reader and STAR Program:
 - Run reports as needed for teachers and principals
 - Assist the library assistants as needed
 - Solve problems students or teachers might be having with the program to include calling the company
- Assist library assistants with makerspace projects or library activities, yet still allowing them the freedom to take ownership and share their ideas for their library
- Travel to different sites to help the assistants as needed
- Solving problems that may come about at each site
- Train assistants on library programs, cataloging materials, etc...
- Webinars or training for the libraries
- Researching for the latest literary material, makerspace ideas, or programs for each library.
- Planning, preparing or assisting, and setting up for special events such as book fairs, Read Across America, Dr. Seuss Week, reading nights, etc...
- Research, observe, prepare, and place book orders for all 5 libraries.
- Research, observe, and discuss with assistants what needs to be available or purchased for makerspace areas.
- Complete weekly lessons plans

I also cover any of the five libraries when an assistant is out for the day.

Subject: Request for School Site Deregulation

To Whom It May Concern:

Cache Public Schools is requesting a School Site Deregulation for the 3 school years: 2022-2023, 2023-2024, 2024-2025. Granting this request will enable Cache Public Schools to provide library services to our students with our current Library Media Specialist staff.

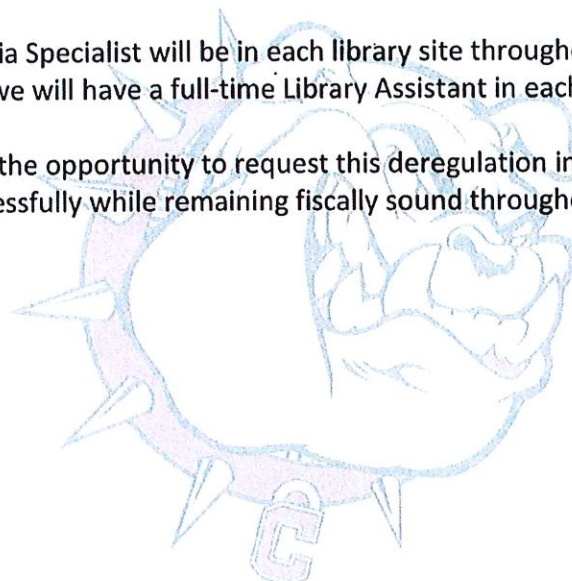

Our District Library Media Specialist will be in each library site throughout the day. In addition to this certified library, we will have a full-time Library Assistant in each of our libraries.

We thank the board for the opportunity to request this deregulation in order to continue to serve our students successfully while remaining fiscally sound throughout the district.

Respectfully Submitted,

Chad Hance
Superintendent

Library Media Services

NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific)/

Big Pasture Public School requests the Deregulation of OAS 210:35-9-71 and OAC 210:35-5-71 due to the inability to hire individuals who prove adequate to meet the staffing regulation. As a case in point, the district has requested and sought applicants numerous times for Language Arts and Library Media and only rarely received any applications. That rare applicant is a retired Texas instructor who wishes to work a limited amount of times. When an applicant learns of the compensation coupled with the drive, they are no longer interested. The inability to provide a qualified applicant, coupled with the inability of the district to provide adequate funding for compensation of an individual (if found) deems it necessary for the district to seek deregulation from the statutes.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Alternative strategies consist of the plan the district has in place to staff the media center with an instructional aide, student leadership students, and community volunteers. These individuals will be supervised by several individuals. The District Superintendent will provide oversight for the plan and the District Principals will hold the responsibility for implementation of the plan. The district's elementary Reading Specialist will also provide input. Lastly, the committee shall include a secondary instructor who has a Language Arts certification. Utilizing this committee approach shall provide for the needs of both elementary and secondary students and have the library adequately staffed.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Our committee members shall be in positions to monitor the Educational impact of the secondary students and provide immediate feedback to the committee and the local Board of Education as to the effectiveness of the plan. Utilizing the expertise of the reading Specialist on the Committee, the DISTRICT shall monitor reading and research capability as well as test scores throughout the school year to determine if satisfactory gains are being met.

D. Timeline: Please submit class schedule , calendars, assessment forms and other attachments as necessary, as described in instructions.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

The DEREGULATION is a request for 3 years. Students shall be assessed utilizing I-Station assessments and student results on state testing.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

The financial impact to the district for the proposed DEREGULATION will be positive. This is due to the fact the Library personnel and oversight Committee are currently on staff and also there are no full-time qualified applicants.

If the retired Texas person will contract for 1 day/ week, that will increase the district's cost by approximately \$10,000.

F. Describe method of assessment or evaluation of effectiveness of the plan.

The method of assessment shall be the results derived from our students' achievements from the I-STATION assessments, IXL and student performance on the state tests. (including ACT)

RE: Deregulation requests: OAC210:35-5-71 and OAC 210:35-9-71

To Whom It May Concern:

Big Pasture Public School is requesting a 3 year Statutory Waiver/Deregulation for Library Media Services at the district's library site that serves both the Elementary and Secondary students for 2023-2026 school years. This is due largely to the lack of certified applicants to staff the library as well as lack of funding to provide adequate compensation.

The Library will be open and available to all students during the regular school hours and will be staffed by an instructional aide and community volunteers. These people will be supervised by a committee of the High School Principal, the Reading Specialist at the elementary campus.

We are currently pursuing the idea of contracting with a Texas retired library media specialist for one day a week during the school year.

Big Pasture strives to provide the best educational opportunities to our students despite less than ideal circumstances. I appreciate your consideration.

Warmest regards,

Nora Curry, Superintendent

Library Media Services
NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

We are making this request because we do not have a certified librarian on staff nor any qualified applicants. By granting the deregulation, we will be able to hire a part time certified teacher who has maintained our libraries for the past two school years. If our district is not granted the deregulation, we will have to look at possibly sharing a librarian with neighboring district which would be an added expense to our district.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We have a part time certified teacher on staff who maintains our library and has also done so at other districts in the past. She works with classes on a daily basis, orders books that are not only on students' grade levels but are also of high interest. She works with classroom teachers to provide incentives for students to read. Since she has been in our district the students are reading more and our students reading levels have grown each year. Her positive attitude about reading and her knowledge of children's literature has made a significant impact on our students. If the waiver is denied, our students would not have her expertise and enthusiasm and we would see the number of books being checked out decrease and the quality of our library would go down.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

We have been awarded this deregulation in previous years. This deregulation has been a positive impact on our students because we have a certified teacher that has knowledge of students reading levels and can assist them in checking out grade level appropriate books that are both challenging and interesting. She also takes time to work with classes and individual students to help them become better readers. She is a valuable asset to our district and students performance levels have increased as has their love of reading.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Our part time certified teacher in the library meets with classes weekly. She also works with several students daily.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

By granting Dover Schools the deregulation it would have a positive impact on our district as we would have a highly qualified teacher in the library to help students and teachers in the library. The funds that we save by hiring a part time teacher in the library would be used to purchase books for the library.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

By looking at our benchmark testing (NWEA Maps and STAR Reading) scores and our RSA goals have gone up significantly since she has been our part time librarian. When surveyed teachers are overwhelming approve of the way our library is ran. They are satisfied with the content of the library both grade level and interest level. The organization of the library also has made it easier for students and teacher to check out the books that best serve them.

** You will be contacted if more information is needed to process this request.

July 1, 2022

Dear Oklahoma State Board of Education,

We are requesting one statutory deregulation for THREE school years (FY23, FY24 & FY25). One for the requirement for a half time librarian (OAC 210:35-5-71, OAC 210:35-7-61 and OAC 210:35-9-71). The reason we are making this request is that we do not have a certified librarian on staff, nor have we had any qualified applicants.

For the next THREE school years, we will have a part-time certified teacher in the elementary library and a full-time library aide in the high school library. She is fully certified in Elementary Education and has taught numerous years at that level and managed school libraries in the past.

With the deregulation and hiring an experienced certified teacher in the elementary library, students are being exposed to books more than they have been in past years. They are also benefiting from the knowledge that our certified teacher has brought with her. During the course of the school year, the administration will meet to discuss the effectiveness of the library system we are incorporating this year. We will seek teacher and student input as to the effectiveness of our library. This system will allow us to better track books being checked out of the library. We will also log any volunteer hours and how that affects our library and student learning.

We believe the plan that we have in place for the students of Dover Schools is what is best for them to help them become more productive students. It allows for the libraries to be overseen and managed by knowledgeable individuals who can help students to choose books that interest and challenge them. The libraries at Dover Schools have been turned into a friendly, secondary learning environment for students. By granting Dover Schools the Library Deregulation for THREE school years, you will be helping us do what is best for our students and our district.

Sincerely,

Jay Wood
Superintendent
Dover Public Schools

NAME OF WAIVER Services

Poteau Public Schools

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

A deregulation of our high school library would allow for a more flexible schedule where we can fully utilize our librarian to help teach English classes in the library and still keep our library open all hours of the school day. Our library has a fully functioning computer lab and an area for virtual or online students to complete school work if needed. This will help our long term cost without sacrificing our library services.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Our site does not have an alternate strategy at this time. We have advertised for a media specialist in the past with no interest from a certified media specialist. Our district is also in a stage of declining ADM numbers and is receiving less state aid in the coming years. If this deregulation is denied, we will have to invest more funds to hire a media specialist and remove the current English teacher that is teaching and running the library with the help of student aides. It is currently late July and we fear that there would be zero candidates available at this time.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Poteau High School has been awarded this deregulation for several years now. The current deregulation has had a positive impact on our site by allowing our class size numbers to average around 20 students per class in the English Department. The deregulation of the high school library will not have any effect on any other site in the school district.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The hours will be covered by office aides or a Paraprofesional.

See attached forms

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

This will help decrease our long term costs by allowing the librarian to teach English classes during her librarian hours without sacrificing our library services.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Stefany Snipes will be evaluated by the TLE Model.

** You will be contacted if more information is needed to process this request.

POTEAU PUBLIC SCHOOLS

Dr. Don Sjoberg
Superintendent

May 16, 2022

To Whom It May Concern,

On behalf of Poteau High School, I am requesting a Library Media Services Secondary School Deregulation. (OAC 210:35-9-71) This would allow the high school library to have a more flexible schedule where we can fully utilize our librarian to help teach English classes in the library and still keep our library open all hours of the school day. This will help our long term cost without sacrificing our library services.

Sincerely,

Dr. Don Sjoberg
Poteau Public Schools Superintendent

Library media Services
NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

Our Library Media Specialist in the Elementary School library retired May 2022. Henryetta Public Schools wants to replace her with a staff member who currently is employed in the elementary library. With this re-assignment the district will save \$55,284. The staff member has five years experience working in our Elementary Library. In addition, she has 48 college credits and is pursuing additional online learning opportunities in this area. If our deregulation is denied, we will post the Library Media Specialist position and work to fill it - though we anticipate difficulty with this. This deregulation would benefit our entire elementary student population.

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

Upon approval of the waiver, the district plan is to have the staff member currently working in the Elementary Library run the day-to-day operations of the library. Henryetta Elementary School has a certified Reading Specialist on staff who will aid in supervising the library as well. This will allow the library to be open during all hours of the school day servicing students as usual. Also, the money saved will allow for an additional library assistant and reading tutor to be hired.

If the deregulation were to be denied, a Library Media Specialist position would have to be filled. In order to fill that position, Henryetta Public Schools would possibly have to hire from their current staffing which would leave a hard to fill position in the elementary and/or middle school.

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Henryetta Public Schools feels that our entire library system will be positively impacted due to the fact that now all library/reading employees will be working together to share ideas and duties, and as a result all students will benefit from this cooperative working environment. Furthermore, we will be open to serve students during all hours that the school is open.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

All libraries will be open from 7:30-3:00 p.m. during every school day. Megan Clason will work in the Elementary School Library Monday through Friday. A Library Assistant will also work in the library during those times. The school Reading Specialist, Donna McFerran, will also be an available resource and supervisor for the library.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

The district would save \$55,284 by deregulating the library. The saved money would go toward hiring a library assistant, a student reading tutor, and a paraprofessional.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The elementary library staff members will be evaluated by the Elementary Principal using the OKTLE model. RSA data will also be used to evaluate the effectiveness of the adopted library plan.

** You will be contacted if more information is needed to process this request.

HENRYETTA PUBLIC SCHOOLS

1801 Troy Aikman Drive, Henryetta, Oklahoma 74437 918.652.6571 FAX: 918.652.6572

May 26, 2022

Reason for Deregulation Application Request:

Henryetta Public Schools will be saving on salaries, our Library Media Specialist has retired as of May 2022. We have reassigned a current employee that has experience working in the library and will ensure that the elementary library will always be open during school hours to serve our students.

Sincerely,

Dwayne Noble

Library Media Services
NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Twin Hills has seen our enrollment drop from the 360's to 308 currently over the last several years of the pandemic. When our part-time librarian/teacher left a few years back, we requested a deregulation because our library assistant had been here so long (and she is still here for year 31) and we were confident our library could continue to operate as usual. This allowed us to hire a full time language arts teacher to help reduce class sizes in the middle school. Twin Hills would like to continue this set up as we feel it is working very well.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

The Twin Hills library continued to operate with the same efficiency in FY22 as it has in previous years. In consulting with our teachers, we have determined that the usability and accessibility to our library as well as our student Reading Counts points have been as high or higher than previous years. This continued efficiency is result of our full time assistant having 30 years experience in our library.

If Twin Hills were denied the waiver, we would have to hire a full time librarian which with may be hard to find. We would have to hire a teacher in the future as well, because as stated earlier our enrollment has dropped pretty significantly since the beginning of the pandemic.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Twin Hills has received a deregulation to run the library with our full time assistant in recent previous years. Teachers input has helped to determine that our library is running as efficiently and as accessible as it has always been, and once again this is achievable because we have a veteran library assistant that has been with us for 30 years.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The plan to oversee the Twin Hills library with our full time library assistant will continue in the Fall of 2022 for the 2022-2023 school year through the 2024-2025 school year.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

As stated earlier, by overseeing our library with our full time assistant Twin Hills was able to employ a full time language arts teacher instead of a half time librarian/ half time language arts teacher. Our school would seek to reemploy a similar position if we were denied the deregulation rather than take the financial responsibility of two certified positions. We are trying to stay conservative due to our projected drop in enrollment in our next year. With the experience of our full time assistant as well as the benefit of a full time language arts, we feel this is financially the most positive option for our school. Our enrollment has dropped from 363 to 321 over the last couple years, and we are expecting an additional drop currently at 308 for the upcoming school year.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The Library Media Program will be evaluated by the effect that it has on each grade level in our school system. Criteria to be evaluated will include accessibility, student friendly environment, usability, etc. During monthly teacher meetings, the administration will request teaching staff input on the effectiveness of the Library Media Program for each grade level.

** You will be contacted if more information is needed to process this request.

To: Oklahoma State Board of Education
From: Gary McElroy, Superintendent
Twin Hills Elementary School
Re: Deregulation of Library Media Services
OAC 210:35-5-71
Date: June 7, 2022

Twin Hills School is requesting a deregulation of our Library Media Services. Twin Hills School currently has 308 students enrolled, and state statute requires our school district to have a full time Library Media Specialist or a half time Library Media Specialist with a full time assistant. Twin Hills School's library has been granted a deregulation the last three years to oversee our library with a full time library assistant. Our current full time library assistant has been with our school district for 30 years. Twin Hills would like to oversee our library in the 2022-2023 school year through the 2024-2025 school year with our full time assistant. In consulting with our teachers, we have determined that the usability and accessibility of our library was consistent with previous years, and we are confident our library will continue to serve all of our students needs given our full time assistant's many years of service in our library. Thank you for your time and consideration of the attached deregulation application.

Sincerely,

Gary McElroy, Superintendent

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

OAC 210: 35-5-71 Library Media Services Elementary School - School is changing the standard of library services for their size school. OAC 210: 35-7-61 Library Media Services Middle School - School is changing the standard of library services for their size school. OAC 210-35-9-71 Library Media Services Secondary School - School is changing the standard of library services for their size school. The reasons for a waiver/deregulation request are 1) due to the shortage of certified applicants for librarian and 2) use of a paraprofessional in this position for which we currently have a deregulation for is working well for our students & district.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

The administrative team in conjunction with the local school board seek to extend the previously approved deregulated practice of using on-staff employees (an elementary teacher, a middle school reading teacher, and a high school reading teacher) to coordinate the purchase of books/resources for our district. A full-time paraprofessional will be assigned to the library/media center to support teachers and students use of the district's library. The MS/HS Principal will oversee the paraprofessional in the library. In August 2021, the district completed construction on a brand new library/media center to serve PreK-12 students and classrooms in our district. This new library/media center enables students and teachers to have access to a beautiful new library/media center at all times during the day. We have been staffing the library successfully with a trained paraprofessional and have not experienced any negative impacts to our students or teachers.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Our district has been approved for a deregulation to use a paraprofessional in this manner prior to this application. This deregulation that we seek approval to extend is working perfectly for our district. Our paraprofessional does an exceptional job in supporting our teachers and staff and making the library/media center a fun and inviting place to study and learn. Our staff are committed to maintaining high standards for our students. Reading data from district benchmark assessment, progress monitoring assessment, state assessment scores and Accelerated Reader goals are analyzed monthly to ensure that students' reading performance levels are measured and used for improvement.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements.)

This application is to request a three year waiver/deregulation for the 2022-2023, 2023-2024 and 2024-2025 School Years. The Shidler Public Schools Board of Education approved this application on March 9, 2022. Attached are the signed documents and board agenda with minutes. The paraprofessional will work in the library every school day from 8:00 am until 3:45 pm.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

The district will save approximately \$40,000 including matching SS, FICA, and insurance; however, the main reason for the decision to apply for the deregulation is that we simply cannot find a qualified replacement for the position. A few years ago, SPS spent \$10,000 on a new automated library tracking software which has been installed and is able to track the reading of all students in our district. The software is able to determine the lexile level of each book in order to track the individual student's reading comprehension progress as well as a computerized method of checking in and checking out books. The paraprofessional serving in the library has received training on the use of this software.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The administrative team will evaluate the site teachers and the paraprofessional. The evaluation will include, but is not limited to:

- 1) Management and evaluation of all purchases related to the library.
- 2) Management and evaluation of lexile levels, software implementation.
- 3) Management and evaluation of check out and check in of materials.
- 4) Management and evaluation of facilities care and inventory.

** You will be contacted if more information is needed to process this request.

Rick Rogers, Superintendent
Shidler Public Schools
P.O. Box 85; 213 S W. G. Ward
Shidler, OK 74652

Dear Accreditation Office and State Board of Education Members,

Shidler Public Schools respectfully asks for a three-year deregulation/waiver for the 2022-2023, 2023-2024 and 2024-2025 school years to staff our elementary, middle and high school library with a paraprofessional rather than a certified librarian. The applicable Oklahoma Administrative Codes for this request are OAC 210:35-5-71, OAC 210:35-7-61 and OAC 210:35-9-71. Our rationale and impact statements are included with this letter, along with our local board agenda and minutes. Our local school board approved this request on March 9, 2022.

Thank you for your consideration.

Rick Rogers

Library media Services
NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

We request this deregulation in order for our library specialist to serve as a part time certified teacher in our elementary. Our librarian has been able to provide training to our staff to allow them to utilize the library services with their own classes as needed. We have another certified teacher that is in the library for reading intervention daily. Classroom teachers also have resources and materials available in their rooms that they are able to use to deliver the same services.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

All teachers have been trained to use the library management system in conjunction with Accelerated Reader. Each classroom teacher will utilize the software to promote reading and learning that coordinates with their regular ed classroom instruction.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

The coordination of efforts of all classroom teachers to effectively reinforce the reading the students are currently doing in the classroom will benefit the students greatly. Additional reading covering similar topics will help our below grade level students to close the gap with the students on grade level. Change in service delivery for our library will not impact the quality of usage we receive from it.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

The library is open and available from 8AM -3PM. The teacher using the library will be the staff person covering that time period. The certified librarian on staff will be in contact with those staff utilizing the library to insure that materials are being used, checked out and returned correctly. In addition, there is an instructor in a room adjacent who can see into the library and address any emergency situations or concerns.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

This deregulation will allow us to provide library services without having to add staff.

The funds saved with the approval of the proposed deregulation will be reallocated directly to classroom instruction focusing on the areas of reading and library science. We have also partnered with the Southeastern Oklahoma Library system to provide library services to our students on a scheduled rotation.

F. Describe method of assessment or evaluation of effectiveness of the plan.

Evaluation of effectiveness of this plan will be an ongoing process that will include interviews with involved staff, observation by administration, accelerated reader scores, renaissance star reading scores and growth measurement and analysis of our state assessment scores.

Over the last several years this library schedule has been utilized and is effective.

April 1, 2022

Attn: Accreditation Standards Division

To whom it may concern:

Savanna Public School is requesting a Deregulation OAC 210:35-5-71 and OAC 210:3-9-71 to change the standard of library services for our size school in both the Elementary and High School site.

We request this deregulation in order for our library specialist to serve as a part time certified teacher in our elementary. Our librarian has been able to provide training to our staff to allow them to utilize the library services with their own classes as needed. We have another certified teacher that is in the library for reading intervention daily. Classroom teachers also have resources and materials available in their rooms that they are able to use to deliver the same services.

Savanna School Library Schedule

The library is open and available from 8AM -3PM. The teacher using the library will be the staff person covering that time period. The certified librarian on staff will be in contact with those staff utilizing the library to insure that materials are being used, checked out and returned correctly. In addition, there is an instructor in a room adjacent who can see into the library and address any emergency situations or concerns.

Library media Services

NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

Reason: No certified Library Media Specialists have applied. We have utilized for the past three years, a retired, half time, certified library media specialist to oversee our library with one full time aid.

We will not be able to meet the accreditation standard for library media if our deregulation is denied due to the teacher shortage. A part time certified library media specialist with a full time aid in each library will meet the accreditation standard for libraries. All students and staff benefit by having a full time aid in our libraries that know our students and staff and facilitate their needs.

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

A part time certified library media specialist with a full time aid during the instructional day. The educational benefit is that the aid has been in our library for the past five years. They know our students, they know our staff. They are trained in our local Library Media Policies for content and facilitation to on line programs such as STARR Reading and Accelerated Reader programs. They also facilitate student/staff research and on line classes. If denied, we will not be able to meet the Standards of Accreditation for our libraries.

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

The impact is positive if the deregulation request is approved. We will be able to continue providing effective and convenient, library media services to our students, staff, and patrons.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The class schedule for the library aids is 8:15am through 3:30pm every instructional day. We have for the past three years offered a summer reading program as well with our aid opening the library two times a week for book check out, AR testing, and research. If we have students or staff on site on scheduled work/instructional days, there is a trained library aid in the libraries.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

The impact to the district is positive. By not employing a full time certified library media specialist, the district can use more financial resources to stock, equip and improve our library. Now we have our library open full time and the part time certified person can move between the two campuses.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

We have ongoing evaluation of our libraries through student, staff, and patron feedback. Our library policies are reviewed annually and updated to reflect needs, state standard changes, and technology updates. We spend over our mandatory expenditure minimums to keep our library offerings current and to replace any lost materials.

** You will be contacted if more information is needed to process this request.

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Marble City Elementary School requests a Deregulation of Library Media Services Elementary School OAC 210:35-5-71. Our request is to eliminate Library Media Specialist and full time library aide for the 2022-2023, 2023-2024, 2024-2025 school years. We are a small PreK-8th grade school that currently has a student population of 78 students. Our student enrollment has been declining over the past few years and as a result of that our revenue has also declined. If our waiver were to be denied, we would have to find a qualified applicant and add additional staff at a time when our enrollment and revenue is declining.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

Regular library hours will be maintained with teachers and aides helping students check books in and out and learning library skills. The school's computer technician will be available to assist teachers and students as well as maintaining the library. The computer technician will also maintain the library equipment and software on an as needed basis. Marble City Elementary school has an average class size of less than 8 students per grade so there would not be a tremendous burden placed on the teachers or staff. Student performance will not be impacted with deregulation approval. The routine students have been accustomed to would remain the same. The most obvious negative impact on our school district if the waiver requested were to be denied is the additional cost of adding another faculty or staff member. As a small district with a limited number of students adding staff will ultimately create a financial hardship.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

This will be the second time I have applied for this deregulation during my tenure at Marble City Public School. Student performance was not impacted in an adverse manner during our last deregulation cycle. As a small PreK-8th grade District we have one site that serves all 78 of our students so this only impacts our one site.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The Marble City Elementary School request of a deregulation for the 2022-2023, 2023-2024, 2024-2025, school years will not change or lessen current student access to the library. By having teachers, aides and the computer technician assisting in the library our library in essence will be staffed throughout the day on a daily basis.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

Marble City Elementary School has had a declining student population for several years. The declining student population has also resulted in less revenue available for the school. The deregulation for 2022-2023, 2023-2024, 2024-2025 will allow our school to best utilize the financial resources available to our district in a manner the will allow us to continue providing a quality education for all students.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Throughout the 2022-2023, 2023-2024, 2024-2025 school years teachers, students, and stakeholders will be surveyed to see if the needs of the students are being met. RSA information, School Report Card information, and Star Testing information will be reviewed to help ensure that our library staffing deregulation is not having an adverse impact on our students.

** You will be contacted if more information is needed to process this request.

To Whom it May Concern:

Marble City Public School is requesting a deregulation on OAC 210:35-5-71. Library Media Services Elementary School which would eliminate the Library Media Specialist position and full time Library aide for the 2022-2023, 2023-2024, 2024-2025 school years due to a decrease in budget and due to our small student population.

If you have further questions please contact me at the number listed above or email me at wstafford@mcps.k12.ok.us.

Sincerely,

Wade Stafford
Superintendent
Marble City Public School

Oklahoma State Department of Education
Accreditation Standards Division:

I have included the Marble City Public School Deregulation application OAC 210:35-5-71 with this letter. The School Site Statutory Waiver/Deregulation Application cover page includes a statement signed by our School Board President reflecting the date of Board Approval for the deregulation request. The cover page also includes a Notary Signature documenting our Board President's signature. I have also included a copy of our unofficial minutes reflecting the School Boards approval of the deregulation application. Please let me know if you need anything else. If required we can send the official minutes after they are approved at our May meeting.

Sincerely,

A handwritten signature in black ink, appearing to be 'Wade Stafford', written in a cursive style.
