

Approved Afterschool Specific National Professional Development Opportunities For Oklahoma 21st Century Community Learning Centers

To sustain a quality program, staff and volunteers who will be delivering academic support and enrichment services shall participate in a minimum of five “afterschool specific” learning opportunities. Staff training should focus on how afterschool is different from the normal school day as well as provide staff with ideas for enrichment and hands-on activities.

Below is a list of approved afterschool specific national and regional conferences and professional development opportunities for Oklahoma 21st Century Community Learning Centers. Please follow the links for more information on each event to assist with your PD planning for the year.
