Section 42.8. Requirements for Exemption.

A. A school district may develop an educational improvement plan which includes exemption for the educational-related statutory requirements set forth in subsections C of this section and State Board of Education rules for the school district, a school site or any program, grade level, consortium of schools or school districts or other group within the school district. The board of education of the school district shall, through adoption of a resolution, approve the plan prior to application being made to the State board of Education.

B. Each educational improvement plan approved by the State Board of Education shall include the following components:

1. A description of the educational benefits to be derived;
2. A definition of the standards of the plan;
3. Development of definitive work products, such as site improvement plans and progress reports;
4. Demonstration of collaboration by teachers, administrators, higher education representatives, students, parents/families, and the community;
5. Development and the use of an assessment mechanism to determine progress in meeting the goals and objectives of the plan;
6. Development of an in-service training plan to be provided to personnel at the site who will participate in the project;
7. Report on the results of the plan to the State Board of Education and provision of appropriate technical assistance to other school districts and the State Department of Education as required; and
8. Explanation of how the plan will affect other schools, program or sites in the district.

C. Each educational improvement plan shall include a list of the specific educational-related statutory requirements and State Board of Education rules the school district is requesting an exemption from and why each exemption is necessary to success of the plan. The school district shall not be granted an exemption from federal educational-related requirements. A school district may request an exemption from any statutory requirement or State Board of Education rule not related to bilingual and special education programs, health and safety provisions, school finance, State Aid, pupil formula weights, teacher salary and teacher retirement, the Oklahoma School Testing Program, the Oklahoma Educational Indicators Program and the teacher preparation, examination, licensure, certification, residency and professional development system. The State Board of Education may grant district-wide exemptions from certification requirements for Library Media Specialist to districts experiencing a shortage in this area. The State Board of Education may grant an exemption from certification requirements for superintendents to any district with an unweighted average daily membership over twenty-five thousand (25,000). A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

I am currently in my second year as the librarian at Lakehoma Elementary. If this waiver is denied a new librarian will need to be found. I am in the full special's rotation.

B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

I am currently collaborating with several librarians throughout the district to assure the students at Lakehoma are receiving the upmost education in the library.

C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Yes, last year I was also the librarian. Our Star reading scores have increased. Our students checked out 30,162 in the 2020-2021 school year before I became librarian. In the 2021-2022 school year our students checked out 49,110 books.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

E. Any financial impact to the district (positive or negative) for the proposed deregulation? If positive, please describe where the available would be reallocated.

I am receiving a lower salary until my master's program is completed. Therefor, MPS is saving money.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Star Reading Scores will be monitored to show improvement within the school. Destiny will also be utilized to show increased activity with the libraries collection.

A. Reason for the waiver/deregulation request (be specific).

Ms. Gil has not yet completed her Masters Degree in Library Media Education through Oklahoma State University.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Ms. Gil is currently pursuing her degree in Library Media. Ms. Gil has several years of teaching experience in Oklahoma and Texas. Ms. Gil has served as a librarian for our city of Mustang. Ms. Gil served as our librarian/media director last year at Mustang Trails Elementary. Ms. Gil has a library mentor who is employed as a librarian in our school district.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Mustang Trails needs a full time librarian to promote library skills, a love for reading, and integrate technology into our curriculum. Ms. Gil is also the person that will teach digital citizenship to all students at Trail as well as help teachers with the process of teaching digital citizenship.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.
A waiver/deregulation can be granted for up to 3 years. (Please see Instructions for additional requirements)

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

Ms. Gil will not receive pay for having a degree until her degree is complete.

F. Describe method of assessment or evaluation of effectiveness of the plan.

A principal will observe Ms. Gill 3 times formally and several times informally for TLE.

** You will be contacted if more information is needed to process this request.

A. Reason for the waiver/deregulation request (be specific).

Baylee Bozarth is currently working toward her MLIS in the Masters of Library and Information Studies program at the University of Oklahoma. She is enrolled in three hours for Fall 2022 and expects to complete her degree in Spring 2023. She will take the Library OSAT Fall 2022. Therefore, Norman Public Schools is requesting a one year waiver enabling her to work at Alcott Middle School.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Ms. Bozarth will be provided release time to attend mandatory training/workshops. These comprise a total of 15 hours. These trainings will focus on best practice in school library programs, effectively integrating instructional technology into lessons, and best practices in co-teaching and collaboration with classroom teachers. In addition, this librarian will attend 3 hours of Guided Inquiry and making training focused on co-teaching and collaboration of research strategies between classroom teachers and librarians. She will be required to observe and visit librarians throughout the district. She is required to be enrolled at the University of Oklahoma School of Libraries and Information Studies MLIS program until completed.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Ms. Bozarth will be mentored by other librarians (elementary and secondary) in the district in order to ensure that library standards are met for the students of Alcott Middle School. The Director of Libraries and Instructional Technology will provide direct assistance to ensure the provision of quality library services to all students and staff at Alcott Middle School.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

* August 2022: Attend back to school librarian meeting.

* September 2022 - May 2023: Attend regular librarian workshops focused on best practice in school library programs, effectively integrating instructional technology into lessons, and best practices in co-teaching and collaboration with classroom teachers.

*Fall 2022/Spring 2023: Attend 12 hours of Guided Inquiry training each semester.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

District will experience a slight positive financial impact as Ms. Bozarth pursues her Masters in Library and Information Science as fully certified librarians with a Masters are paid on the Masters degree scale, Ms. Bozarth will receive Bachelor pay scale until she receives her advanced degree.

F. Describe method of assessment or evaluation of effectiveness of the plan.

Ms. Bozarth will be evaluated on the Marzano Teaching Evaluation which will consist of the Alcott Middle School Principal conducting walkthroughs, informal, and formal observations with pre and post conferences. The Director will consult with the building principal in the evaluation process. Ms. Bozarth will submit an annual report documenting her progress in supporting learner success.

** You will be contacted if more information is needed to process this request.

To whom it may concern,

My name is Baylee Bozarth, and I am going into my third year as a Norman Public Schools librarian. I am also starting my last semester of graduate school in the library science program at OU in the fall. In order to complete my certification this year, I will be taking the OSAT this semester. I will apply for the PPAT when registration opens this summer and complete it in the fall.

By the end of the 2022-2023 school year, I will have completed my graduate degree with the required courses for school library media specialist certification. I will also have completed my tests for certification, and plan to be fully certified.

Thank you for your consideration,

Baylee Bozarth

Accreditation/Standards

Oklahoma State Department of Education

2500 N. Lincoln Blvd.

Oklahoma City, OK 73105

To Accreditation Division:

Norman Public Schools is seeking a one-year waiver to Standard VII concerning staffing of school libraries. This waiver allows Norman Public Schools to provide quality library services in a time of national and statewide shortages of certified school librarians.

Norman Public Schools hires certified school librarians when available. The waiver will allow NPS to use a pre-service librarian, Baylee Bozarth, to fill the school librarian position at Alcott Middle School. An intensive mentoring and training program is in place to support Ms. Bozarth. She is currently enrolled in the Masters of Library and Information Studies program at the University of Oklahoma. She is enrolled in 3 hours this semester and expects to complete her degree in Spring 2023.

This waiver opportunity will enable us to meet our goal of providing every student the services of a highly qualified school librarian.

Therefore we respectfully seek a one-year Statutory Waiver to 70 O.S. § 3-126. Thank you for your consideration of this waiver. We appreciate your continued support and will be happy to discuss the request in detail.

Sincerely,

Dr. Nicholas Migliorino, Superintendent

Mission: To prepare and inspire all students to achieve their full potential

NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

Erin Bullock is currently working toward her MLIS in the Masters of Library and Information Studies program at the University of Oklahoma. She is enrolled in six hours for Fall 2022 and expects to complete her degree in May 2023. Therefore, Norman Public Schools is requesting a one year waiver enabling her to work at Adams Elementary School.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Ms. Bullock will be provided release time to attend mandatory training/workshops. These comprise a total of 15 hours. These trainings will focus on best practice in school library programs, effectively integrating instructional technology into lessons, and best practices in co-teaching and collaboration with classroom teachers. In addition, this librarian will attend Guided Inquiry and making training focused on co-teaching and collaboration of research strategies between classroom teachers and librarians. She will be required to observe and visit librarians throughout the district. She is required to be enrolled at the University of Oklahoma School of Libraries and Information Studies MLIS program until completed.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Ms. Bullock will be mentored by other librarians (elementary and secondary) in the district in order to ensure that library standards are met for the students of Adams Elementary School. The Director of Libraries and Instructional Technology will provide direct assistance to ensure the provision of quality library services to all students and staff at Adams Elementary School.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.
A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

* August 2022: Attend back to school librarian meeting.

* September 2022 - May 2023: Attend regular librarian workshops focused on best practice in school library programs, effectively integrating instructional technology into lessons, and best practices in co-teaching and collaboration with classroom teachers.

*Fall 2022/Spring 2023: Attend 12 hours of Guided Inquiry training each semester.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

District will experience a slight positive financial impact as Ms. Bullock pursues her Masters in Library and Information Science as fully certified librarians with a Masters are paid on the Masters degree scale, Ms. Bullock will receive Bachelor pay scale until she receives her advanced degree.

F. Describe method of assessment or evaluation of effectiveness of the plan.

Ms. Bullock will be evaluated on the Marzano Teaching Evaluation which will consist of the Adams Elementary School Principal conducting walkthroughs, informal, and formal observations with pre and post conferences. The Director will consult with the building principal in the evaluation process. Ms. Bullock will submit an annual report documenting her progress in supporting learner success.

** You will be contacted if more information is needed to process this request.

To Whom It May Concern:

This letter signifies my intent to serve as library media specialist for Norman Public Schools and requests that the requirement of a completed master's degree be waived considering that I am actively progressing toward the completion of my Master of Library and Information Studies from the University of Oklahoma.

My transcripts and references demonstrate my commitment to high academic performance and persistence in all my endeavors, and I intend to maintain that same high degree of quality as I enter my new role with Norman Public Schools while also remaining a student. I have already completed half of my program, including many key electives and core courses, and I am expected to graduate from the program in May 2023. I am also expected to receive emergency certification from the Oklahoma State Department of Education and intend to attain full certification in a timely manner upon the completion of my degree and any other requirements.

Thank you for your consideration and allowance as I enter this position and begin a career of serving students as a teacher librarian.

Sincerely,

Erin Bullock

EXPLANATION OF RECORD
THE UNIVERSITY OF OKLAHOMA
FICE CODE 3184

The University of Oklahoma is accredited through The Higher Learning Commission

CREDIT:

The unit of credit is the semester hour. All course work on the record is residence credit unless otherwise indicated. Each course taken at the University of Oklahoma, whether passed, failed, or repeated is included on the Student Record. Level of credit is determined by course number. Credit transferred from a junior college is accepted to meet lower division requirements only.

COURSE NUMBERING:

Prior to 1970, courses numbered 1-99 were for Freshmen and Sophomores; 100-199 for Juniors and Seniors; 200-299 for Upper Division undergraduate and Minor graduate credit; 300-399 for Advance undergraduate and Major graduate credit; and 400-499 for Major graduate credit. Effective fall semester, 1970, courses numbered 0000-0999 indicate Remedial work (no college credit); 1000-1999, Freshman level; 2000-2999, Sophomore level; 3000-3999, Junior level; 4000-4999, Senior level; 5000 and 6000, Graduate level.

SYMBOLS:

Parenthesis () around credit hours indicate no credit. P indicates credit for a Pass / No Pass option enrollment. NP indicates no credit for a Pass / No Pass option enrollment. E following course title indicates Extension credit. CE following the semester year indicates Continuing Education student. H Honors = degree with High Honors, Hst Hon = with Highest Honors, Dist = with Distinction, SP Dist = with Special Distinction, Gen Hon = General Honors, Honors = with Honors, Sum Laud = Summa Cum Laude, Mag Laud = Magna Cum Laude, Cum Laud = Cum Laude.

ACADEMIC FORGIVENESS: (Effective Fall 1992)

Courses identified by an #, ^, @ are not used in calculating the retention/graduation grade point average, but they are used in calculating the cumulative grade point average.

COURSE LOAD:

Twelve semester hours during a regular fall or spring semester and six semester hours in a summer session constitutes full-time enrollment for the undergraduate student. Full-time status for the graduate student is nine semester hours during a regular fall or spring semester and four semester hours in a summer session.

INTERPRETATION OF GRADES

A = Excellent, B = Good, C = Average, D = Poor, F = Failing, I = Incomplete, AW = Admin. Withdrawal, W = Withdrawn, S = Satisfactory, U = Unsatisfactory, P = Pass, NP = No Pass, AU = Audit, X = Work in Progress, E = Conditional, WF = W Failing, N = No Report

GRADE POINTS/GRADE POINT AVERAGE:

Prior to 1950-51, with the exception of Law and Medicine, grade points were calculated as follows: A = 3, B = 2, C = 1, D, E, F, WF = 0. Since 1950-51, grade points are calculated as follows: Each hour of A = 4, B = 3, C = 2, D = 1, and F, WF = 0. The College of Law is on a 12 point grading system and plus and minus signs are used as follows: A+ = 12, A = 11, A- = 10, B+ = 9, B = 8, B- = 7, C+ = 6, C = 5, C- = 4, D+ = 3, D = 2, D- = 1, F = 0. Plus and minus signs were not posted on the student's academic record prior to 1976. No cumulative GPA's are computed for Graduate or Special Students.

NORMAN/OKLAHOMA CITY CAMPUSES:

Professional work completed in the colleges of Dentistry and Medicine located on the Oklahoma City campus does not appear on a Student Record issued from the Norman Campus. Effective fall semester, 1979, the Norman campus Admissions and Records office discontinued posting in detail course work completed by students enrolled in other colleges on the Oklahoma City campus. Complete records of such work must be obtained from the Health Sciences Center on the Oklahoma City campus.

EXTENDED CAMPUS PROGRAMS:

The College of Professional and Continuing Studies (PACS) offers both undergraduate and graduate degrees in a variety of program areas. All programs are centered around an interdisciplinary core of study from which further specialization is then pursued. Some of the program tracks a student may pursue include administrative leadership, criminal justice, museum studies, prevention science, health & human services administration, or liberal/integrated studies with a concentration in social sciences, natural sciences, or humanities. The listed course prefixes denote specific tracks within PACS and instructional delivery focuses on active learning through online, hybrid, and face to face formats.

To Accreditation Division:

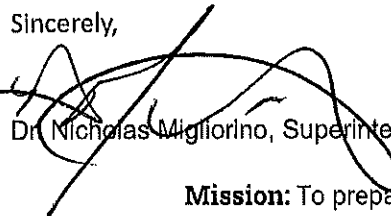

Norman Public Schools is seeking a one-year waiver to Standard VII concerning staffing of school libraries. This waiver allows Norman Public Schools to provide quality library services in a time of national and statewide shortages of certified school librarians.

Norman Public Schools hires certified school librarians when available. The waiver will allow NPS to use a pre-service librarian, Erin Bullock, to fill the school librarian position at Adams Elementary School. An intensive mentoring and training program is in place to support Ms. Bullock. She is currently enrolled in the Masters of Library and Information Studies program at the University of Oklahoma. She is enrolled in 6 hours this semester and expects to complete her degree in May 2023.

This waiver opportunity will enable us to meet our goal of providing every student the services of a highly qualified school librarian.

Therefore we respectfully seek a one-year Statutory Waiver to 70 O.S. § 3-126. Thank you for your consideration of this waiver. We appreciate your continued support and will be happy to discuss the request in detail.

Sincerely,

Dr. Nicholas Migliorino, Superintendent

Mission: To prepare and inspire all students to achieve their full potential

NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

The District seeks permission to hire a certified teacher with extensive classroom experience for Whittier Middle School. Attached please find her letter of commitment and course schedule.

Kathryne Stevens has been a classroom teacher and is currently enrolled in LIS 5443 Collection Development and LIS 5713 Research and Eval Methods for fall 2022 at the University of Oklahoma. Ms. Stevens is enrolled in 6 hours this fall. She plans to graduate in December 2022. Therefore, Norman Public Schools is requesting a 1-year waiver enabling her to work at Whittier Middle School.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Ms. Stevens will be provided release time to attend mandatory training/workshops. These comprise a total of 15 hours. These trainings will focus on best practice in school library programs, effectively integrating instructional technology into lessons, and best practices in co-teaching and collaboration with classroom teachers. In addition, this librarian will attend 3 hours of Guided Inquiry and making training focused on co-teaching and collaboration of research strategies between classroom teachers and librarians. She will be required to observe and visit librarians throughout the district. She is required to be enrolled at the University of Oklahoma School of Libraries and Information Studies MLIS program until completed.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Ms. Stevens will be mentored by other librarians (elementary and secondary) in the district in order to ensure that library standards are met for the students of Whittier Middle School. The Director of Libraries & Instructional Technology will provide direct assistance to ensure the provision of quality library services to all students and staff at Whittier Middle School.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.
A waiver/deregulation can be granted for up to 3 years. (Please see Instructions for additional requirements)

* August 2022: Attend back to school librarian meeting.

* September 2022 - May 2023: Attend regular librarian workshops focused on best practice in school library programs, effectively integrating instructional technology into lessons, and best practices in co-teaching and collaboration with classroom teachers.

*Fall 2022/Spring 2023: Attend 12 hours of Guided Inquiry training each semester.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

Allows District to focus funding towards certified staff

F. Describe method of assessment or evaluation of effectiveness of the plan.

Ms. Stevens will be evaluated on the Marzano Teaching Evaluation which will consist of the Whittier Middle School Principal conducting walkthroughs, informal, and formal observations with pre- and post-conferences. The Director will consult with the building principal in the evaluation process. Ms. Stevens will submit an annual report documenting her progress in supporting learner success.

** You will be contacted if more information is needed to process this request.

Letter of Intent

I am currently enrolled in LIS 5443 Collection Development and LIS 5713 Research and Eval Methods for fall 2022 at the University of Oklahoma's Norman campus. I plan to graduate in December 2022 and plan to submit my library portfolio in December 2022 as well.

To Accreditation Division:

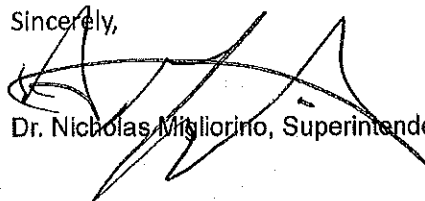

Norman Public Schools is seeking a one-year waiver to Standard VII concerning staffing of school libraries. This waiver allows Norman Public Schools to provide quality library services in a time of national and statewide shortages of certified school librarians.

Norman Public Schools hires certified school librarians when available. This waiver will allow NPS to employ a certified classroom teacher, Kathyne Stevens, to fill the school librarian position at Whittier Middle School. An intensive mentoring and training program is in place to support Ms. Stevens. She is currently enrolled in 6 hours for fall 2022 at the University of Oklahoma. She plans to graduate in December 2022. Therefore, Norman Public Schools is requesting a one-year waiver enabling her to work as the school librarian at Whittier Middle School.

This waiver opportunity will enable us to meet our goal of providing every student the services of a highly qualified school librarian.

Therefore we respectfully seek a one-year Statutory Waiver to 70 O.S. § 3-126. Thank you for your consideration of this waiver. We appreciate your continued support, and will be happy to discuss the request in detail.

Sincerely,

Dr. Nicholas Migliorino, Superintendent

Library Media Specialist
NAME OF WAIVER

- A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?

Due to the quality of candidates that applied for the MS or HS Library Media Specialist (LMS) position, Noble HS and Curtis Inge MS are requesting to share a full-time librarian. To assist with this, both schools will employ a full-time library assistant. At the time of the hiring of the MS/HS LMS, we only had 3 submitted applications for the MS, and 6 submitted for the HS. Of the 3 at the MS, only the one that we hired had credentials for the position. Of the 6 at the HS, only the one that we hired had credentials for the position. The LMS that we hired has 20 years experience working for public libraries, holds a masters in Library and Information Studies, and has applied for the alternative certification program. If the waiver is denied, we will post and hope a qualified applicant applies. The

- B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.

Our goal is to continue to provide our students and teachers with access to the library resource program. We believe the candidate that we hired was our best option since she has worked for public library systems and has a masters from OU in Library and Information Studies. We will also continue to post future positions for a Library Media Specialist with hope of finding quality candidates. If the waiver is denied, access to the library would be limited due to not having a qualified candidate in the library. Again, we feel that the candidate that we hired has the credentials to run libraries at our Middle School and High School, as she starts classes at UCO to get her second masters in School Library Media Specialist.

- C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

We believe that if this waiver is approved, there will be no negative impact on the education of our students. The candidate that we hired has started her alternative certification and is enrolled at UCO for School Library Media Specialist. Prior to this, she has worked for Metropolitan Library System (OKC) as the Engagement Manager (13 Years) and the Wichita Falls Library System as the Assistant Library Administrator (4 Years), and has been an Adjunct Librarian for Rose State College.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

The approval of this waiver will not affect the school calendar or the class schedule.

- E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

The proposed waiver will allow us to hire a MS/HS Librarian as she works to fulfill the certification process. The district does not see any negative financial impact, and the district will be glad to pay the salary for the librarian.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

The district will constantly evaluate the alternatively certified librarian as she works to fulfill the certification requirements of obtaining a masters in School Library Media Specialist from UCO. We do not expect a loss in the use of the library, nor in any academic assessed areas.

** You will be contacted if more information is needed to process this request.

On the PDF, it does not show all of my response to A. Here is what was typed.

Due to the quality of candidates that applied for the MS or HS Library Media Specialist (LMS) position, Noble HS and Curtis Inge MS are requesting to share a full-time librarian. If the waiver is denied, we will post and hope a qualified applicant applies. The applicant is enrolled at UCO for the Fall 2022 semester to get her LMS Degree needed for teacher certification. One hundred percent of our students at each school site will benefit if this waiver is approved.

RE: Statutory Waiver for 70 O.S. § 3-126

To Whom It May Concern,

I am writing to request a Statutory Waiver for 70 O.S. § 3-126. This request is necessary due to the quality of candidates that applied for the MS or HS Library Media Specialist (LMS) position. At the time of the hiring of the MS/HS LMS, we only had 3 submitted applications for the MS, and 6 submitted for the HS. Of the 3 at the MS, only the one that we hired had credentials for the position. Of the 6 at the HS, only the one that we hired had credentials for the position. The LMS that we hired has 20 years experience working for public libraries. She has worked for the Metropolitan Library System (OKC) as the Engagement Manager (13 Years) and the Wichita Falls Library System as the Assistant Library Administrator (4 Years) and has been an Adjunct Librarian for Rose State College. She holds a master's in Library and Information Studies from OU and has applied for the OKSDE Alternative Certification Program. She is currently enrolled at UCO to pursue her master's degree in School Library Media Specialist.

Due to one librarian retiring and another librarian moving to a different position within the district, we had posted with the goal of hiring a qualified librarian for both the Noble High School and Curtis Inge Middle School. Obviously, we were not able to achieve that goal. However, as stated, we believe we have hired a strong candidate that will be supported by hiring two full-time library assistants.

Respectfully,

Frank Solomon

NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

Ms. Deskin was previously a teacher in the elementary school and she was the only applicant for the library media specialist position to accept the position. She is pursuing her library science degree.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Ms. Deskin will be the full time library media specialist. She is currently working on her library science degree and will offer the full range of library services for students at the elementary school.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

Ms. Deskin is an experienced teacher and is taking courses to achieve her library science certification. She will teach students skills in research, evaluation, and synthesizing information, which will help them improve their reading, comprehension, and literacy skills. Ms. Deskin will provide curriculum resources and support for teachers.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.
A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

To Whom It May Concern:

This letter is to request a deregulation/waiver for our elementary and middle school librarians. Ms. Diane Huff and Ms. Stacy Deskin are both pursuing their library science degrees. Ms. Huff, middle school librarian, is currently enrolled in her second year at Northeastern Oklahoma State University. Ms. Deskin, elementary librarian, is currently enrolled in her first year at East Central University. Both Ms. Huff and Ms. Deskin were elementary teachers in our district before seeking positions as librarians. The library positions were posted and no certified candidates applied or accepted the position.

Our district fully supports Ms. Huff and Ms. Deskin in the completion of their degrees. They are terrific educators, and I know they will continue to provide the same level of quality and support for students that they did in their individual classrooms. Thank you for your consideration.

Sincerely,

Melonie Hau

Lm Specialist NAME OF WAIVER

A. Reason for the Waiver request. Please include circumstances which necessitate hiring a non certified library media specialist. What alternative means will be employed if your waiver is denied? Where is the applicant as it pertains to their pursuit of their course of study? What percentage of your student population will benefit from the waiver if approved?
The district is adding an additional librarian this year. If denied, we will utilize the librarian at an adjacent site half a day to cover our library. The applicant is just beginning the process of moving towards certification through testing. 100% of our student population will be able to benefit from this approval.

B. List alternate strategies/plans which the district/site proposes. How does this plan best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement? Please list any negative impact if the waiver were to be denied.
This full time librarian will provide our site with additional opportunities to serve our students. Morning activities and research skills will become available to our students by this addition. If denied, these additional skills will not be able to be implemented for our students.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.
This waiver will provide a certified teacher the ability to enhance classroom objectives through targeted instruction in specific testing areas, such as in depth computer research skills, main idea and summarizing text excerpts.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

This library will be open to our students from 8:30am - 3:00pm daily. A full time certified teacher and full time aide will staff our library for the entire day.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation? If positive please describe where the available would be reallocated.

There is no negative financial impact to the district.

F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E., TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

We will utilize our TLE observations/evaluations to monitor the effectiveness of the position. Additionally, we will compare the OSTP scores on the targeted objectives to determine if the additional support is helping us reach our goal.

** You will be contacted if more information is needed to process this request.

Let me make sure I understand. The letter must state that she is planning on obtaining certification, like through testing? Or obtaining the certification through the college hours?

Good afternoon, Preston,

I met with Ryan Pieper on Friday afternoon, and we worked on revising the waiver form for library media specialists. The new version is not published yet, but Ryan said your district can still apply with this new stipulation in mind:

Library Media Specialist (seeking to obtain certification with any master's degree): Applicant must include a letter of intent to obtain certification and documentation of the master's degree with a transcript and/or a diploma from a qualified university/college.

Let me know if you have any questions.

To whom it may concern,

I am currently employed at McAlester Public Schools at Will Rogers Elementary. I have a bachelor's degree and also a Master's in Special Education.

I intend to become alternatively certified as a Library Media Specialist with the alternative placement program. The option I have intention of completing is the pathway that requires 3 years of library-media related experience and then to pass the state certification test.

Presently, I am in my first year of gaining library-media related experience and have a veteraned librarian mentor that has 30 plus years of experience.

Sincerely,

Meredith Snow

NAME OF WAIVER

A. Reason for the waiver/deregulation request (be specific).

Enid Public Schools was unable to hire a certified Library Media Specialist for Garfield Elementary School. The district used extensive traditional and non-traditional methods to advertise this position on the local and state levels. The school district is requesting a waiver for Susanna Peters, who is working on her library media specialist certification and her master's degree.

This is year one of a three-year plan for Mrs. Peters to gain full certification.

B. List alternate strategies/plans which the district/site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement.

Mrs. Peters earned her bachelor's degree in Elementary Education from Oklahoma State University in 2019. She has been teaching middle school science for three years at Waller Middle School. She is currently working on her master's degree in library media from Northeastern State University. We believe she will be an excellent addition to the library at Garfield, and that her enthusiasm and love of literacy will ensure that the library continues to be the hub of school's academic activity.

C. Educational impact to the district: Results of the Statutory Waiver/Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district.

We are confident that there will not be a negative impact to the district or to our students as result of this request. Mrs. Peters leadership in the library will be an asset to the school. We anticipate that the library will continue to be a vibrant, vital part of the learning environment for students.

This waiver request will not have a direct impact on other sites, as they are served by their own library media specialist. The other library media specialists are assisting Mrs. Peters with professional development during regular meetings and through ongoing communication. She is already networking and learning from other professionals in the district.

D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary, or described in instructions.

A waiver/deregulation can be granted for up to 3 years. (Please see instructions for additional requirements)

09/19/2022: Request for waiver to be considered/approved by the Enid Board of Education

09/21/2022: Request for waiver mailed to State Department of Education to be considered at future Board of Education meeting.

04/28/2023: Deadline for evaluation of Mrs. Peters

05/20/2024: Coursework to be completed for the master's program at Northeastern State University and pass the Library Media OSAT.

E. Any financial impact to the District (positive or negative) for the proposed waiver/deregulation.

There will be no financial impact to the district as a result of this waiver request.

F. Describe method of assessment or evaluation of effectiveness of the plan.

The plan will be evaluated through the TLE process. Mrs. Peters will be evaluated annually and observed regularly using the Library Media Specialist rubric outlined in the Tulsa Model.

To whom it may concern:

Enid Public Schools is requesting an accreditation waiver for Garfield Elementary School regarding their library media specialist, who is currently working on her master's degree and certification.

Susanna Peters has three year of teaching experience in middle school science. She has a bachelor's degree in elementary education from Oklahoma State University. We are confident that her instructional expertise will greatly benefit Garfield as a library media specialist.

She is taking classes at Northeastern State University in the area of library media education and will complete the program, and earn her LMS certificate, by Spring of 2024. Therefore, the district is asking that this waiver be approved for three years. We will send proof of Ms. Peters' s enrollment and continued progress on an annual basis.

Thank you for your consideration.

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

A deregulation request is being made because we do not currently have a certified Library Media Specialist. Brooke Inman is a certified teacher who is working towards a Master's in Library Media Specialist. She is currently in her first semester. Her ECU class schedule is attached.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We are using the same strategies and plans that have previously been in place. Our current librarian is serving our students in the same way as our previous Library Media Specialist. She is operating the library under the same schedule, hours of operation, and student load. She also has a para-professional during operating hours.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

This is the first year applying for the deregulation.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Please see attached class schedule for Brooke Inman

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

There will be no financial impact for the proposed deregulation.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

We will evaluate the effectiveness of the plan through the Marazano Evaluations, RSA, and School Report Card.

** You will be contacted if more information is needed to process this request.

NAME OF WAIVER

- A. Reason for the Deregulation request. Please include circumstances which necessitate changing the standard of library services for your size of school, what alternative means will have to be employed if your waiver was to be denied?

Our elementary librarian retired at the end of the 2021-2022 school year. After advertising the position for an extensive time, the only viable candidate came from within our organization, Mrs. Ellie Pryor, who has been with the district several years and is a highly qualified and outstanding elementary teacher. Though she lacks the requisite credentials for Library Media Specialist, the interview committee determined that she would be quite capable of performing the duties of the Library Media Specialist more than adequately. Mrs. Pryor agreed to pursue and obtain the necessary credentials to be fully qualified for the position. This waiver will allow our district to meet accreditation standards while she is working toward full certification.

- B. List alternate strategies/plans which the site proposes, and how this plan will best serve the students of your district, i.e., a description of the educational benefits to the students and learning achievement and any negative impact if the waiver were to be denied.

We are convinced Mrs. Pryor will do an outstanding job in this role. We have three other librarians in the district (high school, middle school, and early childhood center), all of whom are veterans and willing and able to mentor and guide Mrs. Pryor throughout the year. Two veteran Library/Media Specialists have agreed to be Mrs. Pryor's mentors.

If the waiver were to be denied, all of our over 700 elementary students would not have the benefit of having a dedicated library media specialist this year.

- C. Has this deregulation been awarded before? If so what was the educational impact to the district: Results of the Deregulation, i.e., effect on student performance levels, impact of plan on other sites in the district. If not what do you expect?

Our district has not applied for this waiver in the past, as far as we can ascertain. WPS believes reading and literacy to be fundamentally important to the academic successes and achievements for all of our students. Mrs. Pryor has been an important team member in our Professional Learning Communities collaborative work these past years and will continue to assist in our improvement goals in this new role.

- D. Timeline: Please submit class schedule, calendars, assessment forms and other attachments as necessary.

Mrs. Pryor has an in-depth schedule and plan to conduct learning opportunities in all three of our elementary libraries (see attached). This plan includes scheduling time for each elementary class of students to be in the library for structured lessons. She will also conduct book fairs for students and parents during the school year.

- E. Any financial impact to the District (positive or negative) for the proposed deregulation? If positive please describe where the available would be reallocated.

There is no financial impact to the district for this deregulation. We have budgeted for an elementary Library Media Specialist for the current fiscal year.

- F. Describe method of assessment or evaluation of effectiveness of the plan both for staff and students, I.E. TLE, ACT scores, graduation rates, RSA, School Report Card, etc.

Mrs. Pryor will be evaluated using the Library/Media template in TLE. All three site principals and Guiding Coalitions will evaluate the effectiveness of the Library/Media Center by tracking the utilization of the media center, surveying students and staff, and evaluating the role of the media center in our Professional Learning Communities continuous improvement model.

** You will be contacted if more information is needed to process this request.

RE: 70 O.S. § 3-126 - Library Media Specialist/waive certification only

To whom it may concern:

We are formally requesting a deregulation of the aforementioned rule for the 2022-2023 school year. I was recently made aware of this situation, and we immediately took action. Our new Library Media Specialist, Ellie Pryor, is currently not certified; however, she is enrolled at Northeastern State University and beginning her journey to become fully certified. We are also fortunate to have three veteran, highly qualified Library Media Specialists on staff who will be mentoring Mrs. Pryor this year. Also, our former Library Media Specialist who retired last year will be working part time for us and assisting Mrs. Pryor as well.

We are confident that Ellie Pryor will be an outstanding Library Media Specialist, as she is already proving to us day-to-day, and we respectfully request this waiver be granted.

Sincerely,

Kyle B. Reynolds,
Superintendent

To whom it may concern,

My name is Ellie Pryor, and I am working in Woodward Public Schools as a school teacher-librarian for the 2022-2023 school year. I work in the three elementary schools serving our 1st through 4th-grade students.

I recently completed my masters in Educational Leadership through Southeastern Oklahoma State and am currently enrolled, with classes starting this fall, at Northeastern State University in their M.S. Library Media and Information Technology program. I am working toward my library media certification by taking 15 library media hours through their program and taking the Oklahoma subject-area test for "Library Media Specialist" to complete all certification requirements (*Masters + fifteen hours and passing the subject-area test*).

Sincerely,

Ellie Pryor

Dear Ellie,

Welcome to NSU Graduate College!

Congratulations! You have been accepted into the CERT-Library Media Specialist for the Fall 2022 Graduate Term. I am Alesha Baker and I will be your graduate program advisor. You will find my contact email below. Please read the following carefully as it contains important program admission information.

We believe that a stimulating, intellectual discussion between students and faculty is a necessary ingredient of a successful graduate program. We have admitted you because we think that you will be able to make an important contribution to this research dialogue. In turn, we hope that the personal supervision we offer, together with the collegial atmosphere of our graduate students, will combine to make your stay here very rewarding - personally, academically, and professionally. All faculty and staff, as well as your fellow graduate students in the program, welcome you to graduate studies at NSU!

PROGRAM ADVISING

All graduate students should meet with the assigned advisor prior to enrolling each semester. Please contact your advisor for specific details and requirements.
