Student Reading Portfolio Checklist

Provide multiple choice items and passages that are approximately 50 percent literary text and 50 percent expository text that are between 200-600 words with an average of 350 words.

Such evidence could include chapter or unit tests from the district's adopted core reading curriculum that are aligned with the Oklahoma Academic Standards and teacher-prepared assessments.

Each standard and objective assessed by the reading comprehension and vocabulary portions of the third grade criterion-referenced test(s) must include a minimum of four (4) work samples of mastery whereby the student attained a grade of 70% or above, for a total of 32 work samples. Demonstrating mastery of each objective for each standard is required.

These samples may come from a reading series unit test, etc. which are 3rd grade level and prove the child is reading on grade level.
