

# Sample Administrator Value-Added Report

Name: Dr. Allison Clarke

ID: 38204

Title: Principal

Campus: Lake Ridge Elem.

District: Peabody Public Schools

## SAMPLE Overall Value Added

### Overall School Value Added

The school value-added TLE component score takes into account the student count by subject and teacher and is ***not*** a simple average of the value-added results of all teachers in a school.

UNIQUE  
STUDENT  
COUNT

211

STUDENT  
EQUIVALENT

410

TLE  
COMPONENT  
SCORE

3.4

#### Unique Student Count

The number of students overall. Each student is only counted once even if taught in multiple subjects.

#### Student Equivalent

The sum of students' dosages overall.

#### Overall Value Added

An administrator's overall value added given by the TLE component score is a weighted average of the administrator's subject-specific component scores, where the weight is the number of student equivalents for the subject.

## SAMPLE Reading (4-8) Value Added

### Reading (4-8) School Value Added
