

School Designation Appeal Form

All information requested below must be complete and accurate. All relevant evidence must be provided at the time of the appeal submission for appeals to be processed and considered. **A district appeal must be received by the State Department of Education no later than 12:00 p.m. Tuesday, December 13, 2016.** Submit the appeals form electronically to SSDAppeals@sde.ok.gov, by fax to (405) 522-6272, or in person to the State Department of Education, 2500 North Lincoln Boulevard, Oklahoma City, Suite 215.

Designations may be appealed pursuant to 20 U.S.C. § 6316(c)(5)(B) for statistical or other substantive reasons only. **Statistical reasons** for appeal exist when the statistic on the preliminary data report does not reflect the true measure of the district/school, for instance when a school's declining enrollment impacts the graduation rate since the dropout rate was previously drawn from a larger student body. **Substantive reasons** for appeal exist when mitigating circumstances outside the district's/school's control have negatively impacted performance. Substantive reasons may include circumstances (such as a natural disaster or illness epidemic) that affect test conditions, test scores, percent tested, and/or other factors such as attendance or graduation rate.
