10th Grade WTC Tech Tours

All 10th grade students will complete the Caps, Cops, and Copes Career Awareness Assessments. Using these results, students will explore possible career matches. Using their individual results, students have the opportunity to sign up to observe and shadow two programs at WTC including Welding, Cosmetology, BioMedical, Pre-Engineering, Auto Collision, Culinary Arts, Diesel Mechanics, Multi-Media, Health Careers, Computer Repair and Networking and many more. If a student shows and interest in one of the programs, we begin the enrollment process for their junior and/or senior year tuition free!
