MEMORANDUM

TO: The Honorable Members of the State Board of Education
FROM: Janet Barresi
DATE: April 25, 2013
SUBJECT: 2012 Milken Family Foundation Educator Award

On November 19, 2012, Mrs. Tammy Mittelstet, a Gifted Resource Coordinator and teacher at both Highland Park and Will Rogers Elementary Schools in the Stillwater Public Schools district, was named the winner of Oklahoma's 2012 Milken Family Foundation Educator Award. Mrs. Mittelstet was surprised at an all school assembly when her name was announced by State Superintendent Barresi. Also during the awards assembly, a check for \$25,000 was awarded to her by Milken Family Foundation Board of Directors member, Dr. Thomas C. Boysen.

The Oklahoma State Board of Education would like to congratulate Mrs. Mittelstet and present the Milken Family Foundation obelisk to her in honor of this prestigious award.
