

APPROVED SUBSTITUTIONS FOR OSTP ELA SCORE REQUIREMENT FOR SECONDARY STUDENTS IN NON-OSTP TESTED GRADES

PLEASE NOTE: Reading subtest scores from the tests listed herein are to be used to make reclassification and exit decisions **only for secondary EL students who were not in an OSTP-tested grade in the same test year as they scored within the ELP band of ACCESS for ELLs 2.0**. The Reading subtest portion of one of the tests listed below *must* be used in place of the OSTP ELA requirement of the ACCESS for ELLs 2.0 ELP Band Rubric for any student who does not have a current OSTP ELA score. Scores must be from either the same semester in which the student tested in the ELP band on ACCESS, or from the same semester in which the exit decision is being made.

***If a student was in a grade that does not participate in OSTP, the district *must* substitute one of the following:**

- English subtest scores <35th percentile on English subtest from assessment from ACT or SAT suite
- OR**
- Score of Proficient (33 or above) on *Grade 8 Alternative Reading Assessment* provided to districts for Driven to Read requirements.
