

Special Edition: Transitions

Funding for this publication is provided by the Oklahoma State Department of Education through the Teacher Registry Training contract using Individuals with Disabilities Education Act (IDEA) federal funds.

Welcome to Autism Links

This is a special issue highlighting *transitions* throughout the lifespan. We understand transitions are often difficult for individuals with autism or autism spectrum disorders so we have dedicated an entire special edition of Autism Links to transition resources.

Autism Internet Modules:

“...this series of online learning modules includes information on assessment and identification...recognizing and understanding behaviors and characteristics, transition to adulthood, employment, and numerous evidence-based practices and interventions” (Autism Internet Modules, 2013). <http://autisminternetmodules.org/>

Autism Speaks Transition Tool Kit

Professionals can download a free transition tool kit designed from <http://www.autismspeaks.org/family-services/tool-kits/transition-tool-kit>. Student’s parents or family members can also download or order a free Transition Tool Kit from the [Autism Speaks](http://www.autismspeaks.org) website as well for use during IEP planning.

Autism Society Transitions

General information and tips from the Autism Society website, <http://www.autism-society.org/living-with-autism/lifespan/transitions.html>, about how transitions affect individuals with autism or autism spectrum disorders (ASD).

Teacher Resources

- ◆ **Parents' Perspectives on School: Tips and Transitions**

In this video, six parents of children with disabilities and special health care needs share their top tips on school and school transitions for children with disabilities. While not specifically about autism or autism spectrum disorders, some of these tips may be applicable in your classrooms.
