Education Agreement

We enter this agreement together for the best possible education for _____

Two things you get with me. 1. I will care about you. 2. I will not lie to you.

Because I care - I will discipline if need be.

Two things needed from you. 1. Be in attendance. 2. Your mind needs to be right and willing to learn.

Attendance: I agree to stay within the schools attendance policies and the policies of the Canadian County Juvenile Justice System. **School** – 10 days per semester **County** – 4 days/parts of a day in a 30 day time.

I agree to be in my assigned area or understand that I am counted truant.

Academics: I agree to maintain passing grades at all times and to maintain the pace and quality of academic performance that is necessary to graduate ahead or with my class. A “C” average or better is what I will continually strive for and will gain privilege with.

Attitude: I agree to have a positive attitude which allows my teacher to teach and myself and my classmates to learn. I agree to go by **all** the expectations set forth by ERLC.

ACTION: I agree the most important “A” in MY successes are MY actions!

W.I.N. TIME : I agree that at anytime the 4 A’s (Attendance - Academics - Attitude - ACTIONS) are not met that I will participate in **W.I.N. TIME** during the assigned time that day or the next day until appropriate standards of achievement are met.

Parent Agreement: I will attend monthly progress meetings and keep current contact information available to all staff and administration. *Current Phone & Address*

Students arriving on campus will report directly to the ERLC building and upon dismissal they will not go to other campuses without permission.

ALL student cell phones will be TURNED OFF upon entering the ERLC or they will be placed in the SHOE BAG IN THE OFFICE while the student is on campus. No social media will be used by students while in the building of the ERLC. Anyone needing to contact a student during ERLC time may do so by calling the main ERLC office, ERLC counselor's office or Mr. Delk's cell.
