**STATE SUPERINTENDENT**

**Information from the State Superintendent**

Superintendent Barresi thanked Board Members for attending the special meeting and said today's meeting is in wake of the February 27 State Board of Education meeting held at Enid High School. There was an administrative error in filing a timely 10-day change of venue notice prior to the meeting with the Secretary of State's office. The filing problem had not been brought to our attention until shortly afterward. The mistake was certainly unintentional. Notices of the meeting were posted on the Oklahoma State Department of Education (OSDE) Web site on February 4 and on February 20 via email to the news media, superintendents, and other education stakeholders.

It is with an abundance of caution and importance to reconsider all action items presented at the February 27 meeting so the validity of the decisions by the SBE will not be questioned. I regret the mix-up and appreciate your coming today, particularly Board Members who had a lengthy commute.

Superintendent Barresi said Dr. Maridyth McBee is to retiring this month and I want to thank her for all her work. Dr. McBee has headed the Office of Assessment and Accountability, and been a tremendous asset to OSDE and education in Oklahoma. She will be sorely missed.

  - a. Require that each teacher and each leader's SLO/SOO include all required components to address each of the essential questions as adopted by the Oklahoma State Board of Education.
