

## RULE IMPACT STATEMENT

### TITLE 210. STATE DEPARTMENT OF EDUCATION CHAPTER 30. SCHOOL FACILITIES AND TRANSPORTATION SUBCHAPTER 5. TRANSPORTATION

- a. **What is the purpose of the proposed rule change?**  
The proposed amendments to 210:30-5-6 provide that transportation equipment used to transport ten (10) or more students to any curriculum based program or activity, including technology center attendance, must meet the minimum standards for Types A, B, C, and D school buses. The amendments are necessary to ensure that vehicles used to transport students to and from technology centers meet the same standards as vehicles used to transport students to and from public schools.
- b. **What classes of persons will be affected by the proposed rule change and what classes of persons will bear the costs of the proposed rule change?**  
The proposed changes will affect public schools districts and public school students, particularly students who attend technology centers. The agency does not anticipate any additional costs to result from the rule amendment.
- c. **What classes of persons will benefit from the proposed rule change?**  
The proposed changes will benefit public school districts and public school students, particularly students who attend technology centers.
- d. **What is the probable economic impact of the proposed rule upon affected classes of persons or political subdivisions?**  
The agency does not anticipate any economic impact upon affected classes of persons or political subdivisions as a result of implementation of the proposed rule change at this time.
- e. **What is the probable cost to the agency to implement and enforce the proposed rule change?**  
The agency does not anticipate any cost to the agency to implement and enforce as a result of the proposed change in the rule at this time. Additional record keeping, if any, will be performed by existing staff.
- f. **What is the economic impact on any political subdivision to implement the proposed rule change?**  
The agency does not anticipate any economic impact on any political subdivision to implement the proposed rule change at this time.
- g. **Will implementing the rule change have an adverse effect on small business as provided by the Oklahoma Small Business Regulatory Flexibility Act?**  
The agency does not anticipate any adverse economic impact on small business as a result of the proposed rule change at this time.
- h. **Are there any other methods which are less costly, nonregulatory, or less intrusive to achieve the purpose of the proposed rule change?**  
No.
- i. **Will the rule change impact the public health, safety, and environment, and is the change designed to reduce significant risks to the public health, safety, and**

**environment? If so, explain nature of risk and to what extent the proposed rule change will reduce the risk.**

The agency does not anticipate any impact on public health, safety, or environment as a result of implementation of the proposed rule at this time.

j. **What detrimental effect will there be on the public health, safety, and environment if the rule change is not implemented?**

The agency does not anticipate any detrimental effect on public health, safety, or environment as a result of failure to implement the proposed rule at this time.
