

Ready4+

**Redefining the Senior Year
[and taking the steps to get there]**

Ready4 | the vision

To ensure all students have the opportunity and support to successfully secure a postsecondary degree or industry certification that reflects each individual's passions and skills.

Redefining the Senior Year [and taking the steps to get there]

State Superintendent of Public Instruction

Joy Hofmeister

Needs Assessment Recommendations

- Collaborate to design seamless career pathways
 - Combine strong academics, challenging technical skills and real-world projects
 - Align secondary, postsecondary and workplace through concurrent enrollment and workplace learning
 - Create guidance systems for career information, exploration and advisement
 - Allow students to choose accelerated learning options

Needs Assessment Recommendations

- Develop Individual Academic Plans for middle and high schoolers to guide their secondary and postsecondary studies
 - Include student's family in the plans
- Measure student's success in Career Technology, Higher Education, and/or employment by establishing secure data sharing
