

NEW!

WIDA Self-Paced eWorkshops

- WIDA professional learning that you can complete when you want, where you want, and at your own pace or with your local professional learning community
- Interactive and engaging learning opportunities
- Relevant, practical content that you can put into action right away, including many resources that can be printed and used immediately

Four Self-Paced eWorkshops are Available!

Foundational Concepts

Audience: Grades K-12 teacher leaders, facilitators, coaches, and ESL/bilingual teachers

This eWorkshop builds awareness of ELLs, explores the WIDA ELD Standards Framework, and promotes instructional action that can be taken in the classroom.

Time to complete: 14 hours

Doing and Talking STEM

Audience: Grades K-12 science, math and ESL teachers

This eWorkshop supports educators as they interact with the resources introduced on the *Doing and Talking Math and Science* website, which was developed by WIDA researchers.

Time to complete: 10 hours

WIDA Writing Rubric Series

Audience: Grades 1-12 ESL teachers

This eWorkshop supports educators with using the WIDA Writing Rubric to work effectively with multilingual learners in their writing development.

Time to complete: 10 hours

Leading for Equity: Classroom Walkthrough

Audience: Grades K-12 school leaders

This eWorkshop introduces leaders to a classroom walkthrough resource that highlights practices and principles of exemplary and equitable teaching for multilingual learners.

Time to complete: 2 hours
