- Certificates will be sent once Certification Statement is received

ON-LINE TRAINING FACTS

Review of remaining Training Modules strongly recommended

Program Reminders & Suggestions

- Returning sites who are in good standing from the previous year do not require a pre-operational visit

- Sponsors are required as part of Training to read and become knowledgeable of the 2016 Policy Memos recently sent to you through e-mail. These are also found on the webpage under "Training".

- The webpage is a work in progress. We welcome any suggestions you may have in making it a helpful tool.
